4/29/21 GS

Seattle, Washington

Visitors to the Emerald City find a fusion of American, Asian and Native American cultures, set against a backdrop of Puget Sound and the Olympic Mountains. Sample the freshest seafood to be found along the Pacific Rim, as well as a cup of Seattle's famous coffee.

Ketchikan, Alaska

You've never tasted salmon so fresh. Known as the 'Salmon Capital of the World', Ketchikan is also the ancestral home of the Tlingit people, who have carved the world's largest collection of totem poles. If you're up for an adventure, take a canoe and nature trail excursion through the rain forest or a wilderness exploration followed by a sumptuous crab feast you'll long remember.

Endicott Arm & Dawes Glacier

Alaska's Endicott Arm Fjord marks the southern edge of the 653,179-acre Tracy Arm-Fjords Terror Wilderness area. As you sail through its 30-mile-long stretch, you can't help but be amazed by the untouched beauty of the surrounding granite mountains, verdant valleys and numerous waterfalls. Drifting icebergs, deep blue waters and a spectacular tidewater glacier only add to this natural spectacle's appeal. Endicott Arm is one of the largest breeding grounds for harbor seals on the planet. Keep your eyes open for these creatures splashing in icy waters near the ship or floating with their pups on giant chunks of ice. Along the shore you might also glimpse brown bears, bald eagles, sea ducks, deer, moose and wolves. Your journey through scenic Endicott Arm Fjord ends with a front-row view of the striking Dawes Glacier. Standing over 600 feet tall and a half-mile wide, this very active icecap is known for its spectacular calving displays which noisily produce huge, chunky icebergs that float in area waters. Remember to dress in wind-resistant layers for viewing scenery outside on deck.

Juneau, Alaska

Here's your chance to take a glacial dogsled adventure in Alaska's capital, where cultured sophistication meets the ruggedness of the Last Frontier.

Skagway, Alaska

The great Klondike Gold Rush lives on in Skagway's charming downtown of restored 19th-century buildings and its historic railway. From the vintage train, admire the mountains and see the 1898 trail that fortune seekers traveled on foot. The White Pass & Yukon Route Railroad runs vintage locomotives past the famously steep Chilkoot Trail and offers sweeping mountain views during its climb toward Canada.

Victoria, British Columbia

The seaside capital of British Columbia, Victoria is located on Vancouver Island at the southern tip of Western Canada. Named after Queen Victoria, this one-time British colony has retained much of its colonial charm with decorative English gardens and castles, but also reflects its modern landscape with bohemian shops, coffee bars and international cuisines. The year-round moderate temperatures are perfect for exploring this incredible city. From hiking and golfing to dining and shopping, there's much to discover on a Victoria cruise.
