## IMPORTANT INFORMATION AND RULES GOVERNING SINGLE REGISTRATION

1. To be considered for UKC Single Registration, all applications must be accompanied by proof of registration from a UKC-acknowledged registry, as well as a complete three generation pedigree. Single Registration rules and requirements may vary according to breed.
2. Dogs under one year of age with two UKC registered parents require the signature of the owner(s)/Signatory of the dam at the time of breeding indicating that the individual has permission to single register this dog with UKC, before the dog will be considered for UKC registration.
3. Dogs exhibiting breed standard disqualifications will be denied registration but may apply for a Performance Listing number. All dogs accepted for Performance Listing (PL) are eligible to compete in UKC Performance Events, but not all breeds are eligible for every event. Please refer to the UKC website for rules and regulations for individual UKC Licensed Performance events and breed eligibility requirements, as well as breed standards and disqualifications.
