

# DSPSPA – DSP School of Performing Arts

Service Heroes. Creative Leaders. Economic Builders.

Jumpstart your purpose-driven career where creativity meets service, ownership, and generational impact.

## The DSPSPA Service Hero Program

DSPSPA is a purpose-driven creative education and economic empowerment movement. We train students, creators, and entrepreneurs to build real-world skills, own their intellectual property, and serve communities through media, music, and digital systems.

This is not traditional schooling. This is ownership education.

## Creative Career Tracks

- Music Production & Royalty Ownership
- Video Editing & Digital Storytelling
- Graphic Design & Brand Media
- Web, AI & Multimedia Systems
- Marketing, Advertising & Promotion
- Sync Licensing, NFTs & IP Monetization

## For Local Merchants & Entrepreneurs

Local businesses can partner with DSPSPA to sponsor Service Hero projects, receive branded media, and gain visibility while supporting creative education.
