

## Newsletter – August 2022

Welcome to the first Rescue Me WV Newsletter.

### Who is Rescue Me WV?

Rescue Me WV is a non profit animal rescue organization formed in 2017. The goal is to save unwanted and unloved dogs from horrible fates including euthanasia. This requires volunteers and community donations to properly vet and care for these dogs until we find them a forever home through fostering and adopting programs. We advocate for the animal shelters in Berkeley, Jefferson and Morgan counties in West Virginia and help those facilities with finding forever homes for dogs in need.

Four people are the heart of Rescue ME WV...Dawn Brown, President, Lisa Catalano, Vice President, Sherry Sheufele, Secretary and Christina Lowe, Treasurer. They, along with other volunteers, foster families, those who donate and the local dog loving community, work together, saving lives one dog at a time.

### What Exactly Does Rescue ME WV Do?

An example of the valuable work that is done by Rescue Me WV can be seen from a recent testimonial from Elizabeth Kyne.

*I don't know where to start here. Chloe is my soul dog and has been the moment I laid eyes on her. Chloe had a Mammary gland tumor that was cancerous and financially I couldn't afford it. Rescue Me WV came forth and saved my baby girl! They raised money for the surgery to save her life! The past 21 days has been a roller coaster through her healing journey from her surgery. Yesterday she got her staples removed. Man, was she ready. Last night after her first bath since surgery, I looked at her and whispered "We have some people to thank baby girl" !*

Rescue ME WV helps dogs in need get adopted by offering a foster to adopt program. If you are interested in fostering and adopting dogs in our care, check out our [website](#).

If you'd like to keep up with recent activities, success stories, and updates on dogs in our care, check out our [blogs](#). For more information about us, check us out on Facebook (Rescue Me WV) or go to our [website](#). If you'd like to subscribe to our newsletter, go to this [link](#).
