Boston–Halifax–Bermuda Roundtrip Cruise

Itinerary: July 5–12, 2026

An Enchanting Week on the Atlantic

Embarking on a seven-day odyssey across the Atlantic's sparkling blue expanse, the Boston–Halifax–Bermuda roundtrip cruise promises not only adventure, but a tapestry of cultures, landscapes, and memories that linger far beyond the final port. Departing from historic Boston on July 5, 2026, and returning on July 12, this voyage knits together the charm of New England, the rugged beauty of Canada's East Coast, and the pastel allure of Bermuda, offering travelers a perfect blend of city excitement, natural wonder, and tropical serenity.

Day 1: Departure from Boston – Sunday, July 5

The journey begins in Boston, Massachusetts—a city that seamlessly blends colonial heritage with modern vibrancy. Guests arrive at the cruise terminal, greeted by lively music and the bustle of departure day. The ship itself gleams in the summer sun, ready to cast off for its Atlantic adventure.

By late afternoon, the ship's horn sounds. With a gentle push from the tugboats, the vessel glides out of Boston Harbor heading for the open sea. The city's silhouette recedes, replaced by ocean vistas.

Day 2: At Sea – Monday, July 6

Norwegian Breakaway® offers everything you need to feel a world away. Enjoy the best seat in the house when you drink & dine on The Waterfront at venues like Cagney's Steakhouse and Sugarcane Mojito Bar. Play with your crew at the action-packed Sports Complex, experience the thrill of the Free Fall water slide, or relax at Mandara Spa. And when the sun goes down, the spectacular entertainment begins!

Day 3: Halifax, Nova Scotia – Tuesday, July 7

Admire the rugged coastline that surrounds Halifax, the world's second-largest natural harbor. This beautifully preserved city is Nova Scotia's capital and was founded in 1749. Take steps through history and climb to The Citadel to witness the Old Town Clock.

Day 4: At Sea – Wednesday, July 8

Leaving Halifax behind, the ship turns southward, bound for the subtropical paradise of Bermuda. This day at sea is ideal for reflection and fun: bookworms find solace in quiet corners, while adventure seekers tackle rock climbing walls or join trivia tournaments. On deck, the air grows warmer, and the sea shifts from slate gray to vibrant turquoise.

As night falls marvel at constellations that can only be seen over open waters, as the midnight buffet offers sweet treats.

Day 5: Bermuda – Thursday, July 9

Located at the tip of Bermuda's West End, Royal Naval Dockyard is home to exceptional shopping and pristine beaches. The beautifully restored Royal Navy Dockyards provide quaint boutique, a crafts market and fascinating maritime museum. Don't miss the chance to try out one of the many water sports offered in and around this gorgeous harbor.

Day 6: Bermuda – Friday, July 10

A second day in Bermuda allows guests to deepen their experience. Golfers may tee off on oceanfront courses, while nature lovers kayak through mangroves or visit the Bermuda Botanical Gardens. Guided tours of the Royal Naval Dockyard reveal tales of maritime defense and naval innovation. For those seeking tranquility, a spa day or afternoon tea at a historic hotel offers refined relaxation. Adventurous spirits might try helmet diving—a uniquely Bermudian experience—or join reef eco-tours.

As the ship sets sail from Bermuda and turns north toward Boston, passengers gather along the railings for a final glimpse of the island's pastel houses, turquoise waters, and pink-sand beaches. The gentle sea breeze carries with it memories of leisurely days exploring winding lanes, vibrant gardens, and warm island hospitality. Laughter from shared adventures, quiet moments by the shore, and the beauty of Bermuda's landscapes linger in the heart, promising to make the journey home as rich with reflection as the visit itself.

Day 7: At Sea – Saturday, July 11

The ship sets a northwest course, bound for Boston. Guests savor a final day of sea breezes, warm sunshine, and camaraderie. Fitness classes, wine tastings, and photography workshops fill the hours, while friends share stories of their adventures.

As the cruise nears its conclusion, a farewell gala dinner invites everyone to dress their best and reflect on the week's highlights. Crew members and entertainers join guests in a lively celebration, and late-night dancing spills out onto moonlit decks.

Day 8: Return to Boston – Sunday, July 12

The ship glides into Boston Harbor at dawn, the city skyline illuminated by the golden light of morning. Farewells are bittersweet as travelers disembark, hearts full and cameras packed with vibrant memories.
