# Empower Education 2025

## HIGHLIGHTS

Happy December and New Years everyone! Our group reached new heights in 2025!

This month we started wrapping up projects, welcomed our new app, and began getting ready for 2026 with the release of our Executive Board application. **Complete the application by January 11<sup>th</sup> to be considered for a position.**

Besides December, the past 11 months have been filled with various successful fundraisers, events, and group projects thanks to our hardworking members.

In February we held a Chipotle fundraiser and in March we held a Yogurt Zone fundraiser which both did very well! Stay tuned for an upcoming fundraiser this January!

In September we attended Peacefest, a family-friendly, music, arts, and service festival specially curated to unite our community, spark joy, and infuse more positivity into the world! Here we held a face painting booth and were able to interest several people with our project! Let us know if there are any events like Peacefest in your area as this would be a great opportunity to expand our reach!

Moreover, we were able to send many keyboards and educational booklets to the students at Greenhill Primary School. Shoutout to Sanskriti for making beginner keyboard lessons for the students to use! Her channel has over 3k subscribers! Go follow her YouTube channel by clicking [here](#).

Regarding 2025 finances, December was our top fundraising month with a total of **\$3,901** raised!

As for the whole of 2025 we rose **\$17,734**- a phenomenal number. This was all made possible by our members who are constantly finding ways to fundraise for general usage or for their specific committees.

Keep up the great work!

## ANNOUNCEMENTS

Elections are coming up!

If you're interested in joining the Empower Education Executive Board, please complete this form by election day, **January 11, 2026** to be considered eligible. Candidates must be prepared to deliver a 90-second campaign pitch to the full committee on election day.

**Interviews** will take place in the days before January 18, 2026, and final position decisions will be announced during the general meeting. Please make sure you are available during these dates. If you have any questions or availability conflicts, contact Layla Rafaat at [571-509-8109](tel:571-509-8109).

**Access the form [here](#).**

  - 3<sup>rd</sup>, 10<sup>th</sup>, 17<sup>th</sup>, 24<sup>th</sup>, & 31<sup>st</sup>
- Submit Executive Board apps by January 11th!

## FUNDRAISING

We are currently working on fundraising for a Kitchen at Greenhill Primary School, so make sure to donate! You can fundraise by asking friends and family, selling items (baked goods, bracelets, etc.), going door to door, car washing, and even restaurant fundraisers! Don't be afraid to think outside the box and try something new! If you are unsure about how to fundraise, you are welcome to ask any Executive members and other members as well. **Please submit your donations as soon as possible and actively fundraise for our group. Every penny counts.**

## OUR APP

This year we launched our very own, easy to use app!

The Empower Education app is split into four main tabs: Community, Donate, Mission, and Menu. The Menu tab holds additional information regarding our projects, the Executive Board, our committees, and more.

The app is a condensed version of our main website, so go to the app store, search “Empower Education”, click download, and then login! Now you have everything Empower Education related at the click of a button without having to go through the hassle of searching up the website!

**All members must download the app!**

## UNITY BEYOND LIMITS

Alexander Davidenko is part of **Unity Beyond Limits (UBL)**, an organization aimed towards donating bikes to underprivileged children across the globe- helping to enhance their access to education and healthcare, or to simply provide them with something fun to do during tough times.

He is currently looking for a passionate **Vice President** who's a natural leader, a **Social Media Manager** that can share stories with creativity and impact, and a **Director of Digital Operations** with web design experience to help run their online platforms.

More more information, contact: [davidenko.alex28@gmail.com](mailto:davidenko.alex28@gmail.com) and to apply [click here](#).

## STAND OUT COMMITTEES

Our Medical, STEM and Entrepreneurship committees have gone above and beyond in terms of fundraising, making curriculum, and creating opportunities.

The Medical Committee has consistently been creating educational healthcare booklets and created their very own, well-edited, and very informational CPR video.

The STEM committee raised \$1,011- much more than any other committee

The Entrepreneurship Committee built a website to connect volunteers to 50+ different opportunities and to act as a fundraising platform for the students in Uganda and Oaxaca.

## 2026

Empower Education accomplished great feats this year from big fundraising projects to a new app. We were given many opportunities to spread our project and created many opportunities for the Greenhill students as well. 2025 was great but 2026 will be even greater. We will continue supporting these students in Uganda and Oaxaca. We will work even harder, gain new members, spread our project even farther, and fundraise more.

We would like to thank our members for pouring in their time and effort to help these underprivileged children. Than you for choosing to make a difference.

And as always, your friends are welcome to our **meetings every Sunday from 5pm to 6pm PST every Sunday!** The more the merrier! Help us gain new members and strengthen our impact. Have a wonderful new year!
