JUNE RECAP

RECAP NEWSLETTER

JULY 1, 2025

June 2025

Happy summer break everyone!

During June we were able to accomplish great things through our websites and educational booklets! Layla's interview with Yona really shows how our impact is becoming more prominent at Greenhill!

Earlier this month, Debra talked about Oaxaca Foundation for Education & the Arts' 2025 summer program. Through this program, you will go to Oaxaca, Mexico to primarily teach students English, arts, music, and sports while improving your Spanish skills. It's an amazing cross-cultural volunteer opportunity, so for more information, [click here](#).

June was great, but July will be greater, so make sure to keep up the great work! And as always, new people are always welcome, so get your friends to join!

Important Announcements

- **SHELLEE IS LEAVING FOR ECUADOR ON JULY 12, SO MAKE SURE TO SUBMIT YOUR PASSION PROJECTS BEFORE THEN!**
- **WE'RE HAPPY TO SHARE THAT WE REACHED OUR FUNDRAISING GOAL FOR OUR SEWING PROJECT**
- **WE HEARD FROM A GUEST SPEAKER, RAFAEL MCMASTER, WHO FOUNDED A NONPROFIT USING ART TO SUPPORT MENTAL HEALTH. CHECK OUT THE WEBSITE BELOW TO LEARN MORE.**

Committee of the month: **Entrepreneurship**

The Entrepreneurship Committee has done an outstanding job building a website that highlights their impact and connects volunteers to over 50 opportunities. Their efforts are already making a difference, raising \$150 in the first week toward their \$2,500 goal to support students in Uganda and Oaxaca.

Committee Recaps

ENTREPRENEURSHIP 🌸

They built a website for the Entrepreneurship Group to showcase their impact and connect volunteers to over 50 opportunities. The site supports fundraising for students in Uganda and Oaxaca. Now, they're marketing it with a goal to raise \$2,500 in two months and have already raised \$150 in the first week.

BUSINESS

This month, they're preparing hygiene kits and school supplies for Ecuador, fundraising for accessories and sports gear, and finalizing booklet activities.

MEDICAL

They're working on a video project adapting the First Aid booklet into a CPR-focused video. Audio recordings and animations should be done by next week, with the full video finished in a few weeks.

VAPA

This month, they're creating art projects to send out as assignments that encourage creativity, imagination, and positive values like kindness and compassion.

HOLIDAY CONNECTIONS

They're organizing a bake sale with a goal to raise at least \$200. A recent highlight is their consistent monthly slide creation and regular bake sales.

STEM

This month, their goal is to complete the agriculture project, teaching students in Uganda farming techniques like tool-making, irrigation, pest control, and water preservation. In addition to videos, they create written curriculum covering Chemistry, Biology, tool booklets, Math, and Physics.

Fundraising

SEWING ROOM

\$1489 raised!

BOOKSHELF

\$\$\$ Still needed...

Next Month...

- Meetings every Sunday: 6, 13, 20, 27
- July 12th
 - Shellee is going on a Missions trip to Ecuador and will be taking passion projects with her
- Independence Day, July 4
