July Recap

August 1, 2025

July 2025 →

Happy August, everyone!
We achieved great things this July!

This month, the medical committee completed their CPR video and has more exciting projects on the way! Meanwhile, the business group raised \$303 and printed 121 financial literacy booklets for the students at Greenhill!

Shellee also travelled to Ecuador with Kids Around the World, where she and 19 others built a beautiful playground for local children to enjoy!

Earlier this month, Alexander Davidenko spoke on behalf of Unity Beyond Limits (UBL), an organization aimed towards donating bikes to underprivileged children across the globe- helping to enhance their access to education and healthcare, or to simply provide them with something fun to do during tough times. Last year, he donated 100+ bikes to orphans in Ukraine with mental disabilities. They plan to expand to Uganda through Empower Education and hope to send 1000+ bikes globally by the end of 2026!

Keep up the amazing work and continue to make a positive impact! As always, new members are very welcome to join!

← Important Announcements

- **The communications team posted 5 reels on the Instagram this month!**
 - **If you want to participate in reels, contact ShreeyaKom@gmail.com (you must be a member).**
- **The member to get the most people to join by the end of August will receive a \$100 gift card!**
- **Alexander has open leadership positions:**
 - **VP: Passionate, outreach skills, natural leader**
 - **Social Media Manager: Passionate about sharing stories, creative**
 - **Director of Digital Operations: Web design skills, enjoy running a website**

Committee of the month: Athletics!

The Athletics Committee worked hard and raised \$1,000 to buy new sports equipment. This helps more students get involved in sports and enjoy playing with better gear. Their efforts show a strong commitment to supporting school athletics.

Committee ← Recaps

★★★ ATHLETICS

The Athletics Committee is currently working on raising money for new sports equipment and has already raised \$1,000. Their goal is to help more students get involved in sports with better resources.

AROUND THE WORLD

The committee finished and sent in their Singapore video and hopes it will be shown soon. They are now working on a new video about Taiwan and are currently fundraising and continuing production.

STEM

The committee is working on curriculum videos covering math topics like rounding, area, and perimeter. This month, they aim to finish those and continue making short videos on computer use.

BUSINESS

In July, the committee focused on fundraising for financial literacy booklets. They successfully sent \$303 to print 121 booklets for kids in Uganda.

MEDICAL

The Medical Committee is currently focused on launching their blog, posting past projects online, and producing a new video about the Cardiovascular System. They have completed a CPR video and are planning a speaker event as well as an inter-committee collaboration.

Keep us updated!
