

PARKHURST

WINE CELLARS

Parkhurst, Chardonnay 2016, Oregon

A beautifully rendered white from the cooler growing districts of Oregon blended with high altitude vineyards. Utilizing only stainless steel as a maturation vessel, we have been able to achieve brilliant mouth-feel with a lush mid-palate, vibrant fruit and exceptionally long palate impression without the influence of any barrel ageing.

Region

While these wines are a blend of grapes from various AVAs across the state, their core fruit sourcing is the unique Rogue Valley. We maintain a consistent “hand-crafted” approach to all our wines including the wines from this portion of the portfolio, allowing the subtle harmonies of fruit from other notable regions to speak with one voice.

Winemakers Notes

Light straw-yellow color. This is a brightly crafted wine with initial aromas of cut green and golden apples followed by pear blossoms and soft mineral undertones. A balanced, medium-bodied Chardonnay, with a vibrant fruit entry while still remaining soft on the palate, featuring mouthwatering flavors of Gala apples, Asian pear and a decidedly creamy mid palate. Pleasing acidity makes this white perfect for just about any fare and will show well with cream sauces, medium firm cheeses, poultry, pork and seafood.
