

PARKHURST

WINE CELLARS

Parkhurst, Pinot Noir 2016, Rogue Valley

This very special, handcrafted Pinot is the result of Dijon Clones from high altitude vineyards blended for the maximum expression of vineyard location. The predominance of Clone 667 shows a signature of dark cherry/bramble spice laying at the core of the wine. Complexities from clones 115 and 777, add nuance and elegance on the palate. Judicious barrel ageing rounds out this gem.

PARKHURST PINOT NOIR

Region

The Rogue Valley boasts a variety of micro-climates ideal for producing wines of wonderful character and unique persona. Our goal is to show off the unique voice of the Rogue Valley through a diversity of limited offerings while continuing to offer several wines as ongoing bottlings of our “Rogue Valley Exclusive” portfolio.
