Special Instructions for Delivery	

Items Requested

Important Notes

- Porch delivery only. To reduce the risk of transmission we will not be able to come inside or greet you at the door. Groceries will be left at the door and then we will knock or ring the doorbell as appropriate.
- 15 item limit. We have limited resources and to help as many people as possible, we have to limit delivery to 15 items per order.
- We will be unable to do substitutions. If items are unavailable, we will not be able to substitute other items and we will have to exclude them from your order.
- Due to supply shortages, we will buy generic brands.
- We cannot guarantee a time of day for delivery. We will get to as many people as we can as quickly as possible.
- This service is for free delivery only. Payment is required for the actual goods that are being delivered.

To submit your request, please scan and return this form to buddysystem@buddyelectrical.com OR call us at (520) 777-4425.

All cash/check payments must be placed in an envelope to limit physical contact. Please make checks out to Buddy Heilig & Sons Electric. For cash payments, **we do not carry change.** Exact amount only.
