

ORGANIZATIONAL OVERVIEW

ABOUT THE VALLEYCATS

WHO WE ARE

The Tri-City ValleyCats are a professional baseball franchise and have been a summer staple in the Capital Region since 2002! They were happy to celebrate their 23rd Season as the community's team during 2025. The team focuses on creating a family-friendly entertainment experience across the backdrop of high-quality, professional baseball. The ValleyCats were a member of the New York-Penn League where they competed as an affiliate of the Houston Astros for 18 seasons. In 2025, the ValleyCats completed a successful fifth season in the Frontier League, the largest and longest running Major League Baseball Partner League. This past season, the 'Cats won a franchise record 65 games and earned their first postseason series victory in the Frontier League. Since 2002, 118 former ValleyCats have graduated from their time at Joseph L. Bruno Stadium to play Major League Baseball! That growing list includes 4x batting champion Jose Altuve, World Series MVPs George Springer, Jeremy Pena, and Ben Zobrist, along with Cy Young Award Winner Dallas Keuchel and Gold Glove Award Winner Willyer Abreu. Kumar Rocker made his professional debut with the 'Cats before being selected third overall in the 2022 MLB Draft by the Texas Rangers, and made 14 starts in the Majors this year. Carson McCusker ('21-'23) was selected by the Minnesota Twins for his big league debut this season. Meanwhile, Miguel Useche ('25), Nick DeCarlo ('24-'25), Zeke Wood ('24), and Matt Dunaway ('23) are former Frontier League players that continue to climb the ladder the Majors. The ValleyCats' Frontier League rosters have also included former big leagues Aaron Altherr, Willy Garcia, Reymin Guduan, Ryan Hartman, and Denis Phipps. As the region's professional baseball team, the organization makes it a priority to be an active and supportive member of our community. We continued these efforts in 2025 and are committed to being part of the fabric of the Capital Region for many years to come! The ValleyCats make a positive economic impact annually with 200 in-season employees and 170,000+ fans visiting the ballpark for games and special events.

WHAT WE OFFER

When you attend a ValleyCats game, baseball is just one part of the appeal! With 51 unique theme nights, each ballgame is exciting and memorable. There is something for everyone, with fan-favorite promotions including the traditional 4th of July celebration, Star Wars Night, Military Appreciation Night, Community Heroes, Bark in the Park, Heritage Nights, SouthPaw's Birthday, the return of the Collar City Cats, 15 fireworks shows, jersey giveaways, and much more! Bobblehead giveaways have included the Capital Region Heritage Series featuring former 'Cats Kumar Rocker, George Springer, and J.D. Martinez as well as former Albany-Colonie Yankees Derek Jeter, Mariano Rivera, Andy Pettitte, and Deion Sanders. Other unique Bobblehead's have included SouthPaw, Relish, Uncle Sam, Henry Hudson, and Jimi Hendrix! In 2025, the Tri-City ValleyCats hosted several unique events such as the Frontier League All-Star Game and the Tyler Hubbard Concert; their second major concert in as many years as Dustin Lynch performed in 2024. They offer youth baseball camps during the season, including a free clinic as part of MLB's Play Ball Weekend. The team's annual Fall Fest takes place at Joe Bruno Stadium each October, which includes Trick or Treating, family movies, and a live band on the field.

WHEN

The season spans the months of early-to-mid May to the beginning of September with 51 home games taking place at Joseph L. Bruno Stadium. There are 13 additional home games as compared to the team's past New York-Penn League schedule. Special events at "The Joe" help to fill out a team's calendar, beginning in April and extending through October. Some of these events have included concerts, professional wrestling, movie nights, 5K road races, weddings, fundraiser events, youth baseball tournaments, various charity walks, and more.

WHERE WE PLAY

The ValleyCats play their home games at Joseph L. Bruno Stadium, located on the campus of Hudson Valley Community College in Troy. Built in 2002, "The Joe" features 4,500 fixed seats, 10 luxury seats, four unique picnic areas, a wide open-air concourse, two grass berm seating areas, and a 36' x 17' LED video board.

PARTNERSHIP VALUE

With the ability to combine experiential marketing, traditional advertising elements, digital properties, entertainment, and hospitality, the ValleyCats offer business opportunities unlike conventional marketing channels. A partnership with the ValleyCats can connect your brand with a captive audience of over 170,000 fans per season to include a diverse lineup of special events. With a well-attended, family venue, it is clear why the ValleyCats remain an excellent advertising medium and entertainment option for organizations seeking to increase their presence in the Capital Region.

'CATS IN THE COMMUNITY

GIVING BACK TO OUR FANS FOR LIFE!

The ValleyCats involvement in the community is one of their highest priorities. Their dedication to the Capital Region is evident in their efforts, with a specific focus on giving back to the community that has supported them for 20+ years! The 'Cats have been nominated three times ('19, '18, '15) for Minor League Baseball's John Henry Moss Community Service Award, presented to a club that demonstrates an outstanding, on-going commitment to charitable service, support and leadership within their local community and within the baseball industry.

COMMUNITY OUTREACH

Annually, the ValleyCats make **175+ community and fundraiser appearances**, many including the most recognizable mascot in the Capital Region – SouthPaw! The ValleyCats donate goods, services and financial **support to over 460 events**, and **visit or host over 30 schools and libraries** with Highmark Blue Shield Northeastern New York's Summer Reading Program. Overall, the ValleyCats contributions, fundraising efforts and charitable partnerships create an overall impact of **\$500,000+ in annual community support!** Throughout the 2025 season, the ValleyCats continued to lead the way in the Frontier League with their charitable efforts. This included a number of established programs like Military Appreciation Night, Community Heroes Night, Veterans of the Game recognition, Mental Health Awareness, and more. The ValleyCats also continued several new initiatives including a partnership with Toys for Tots and the return of the Kids Club.

The ValleyCats offer a variety of community partnerships to invite local organization, non-profits, youth teams, and more to enjoy a game at "The Joe" on behalf of partners such as National Grid, M&T Bank, and Sysco. The team also worked with various organizations to highlight local food & beverage producers (Taste NY), provide tickets for local families (Rensco Family Day), and entertain to bring The Cat in the Hat to the Capital Region (WMHT & PBS Kids).

Other in-stadium fundraisers have included the MS Walk, Capital Region Series corporate baseball tournament, and numerous group ticket fundraisers. For the second consecutive year, the ValleyCats partnered with the Tunnel to Towers Foundation for a game day fundraiser. Tunnel to Towers has raised over \$250 million to eradicate veteran homelessness, support the families of fallen first responders, and help America Never Forget 9/11. The ValleyCats also honored US Sgt. Jacob Pratt who was severely wounded in the line of duty in 2023.

GAME-WORN JERSEY AUCTIONS

Each season the ValleyCats host in-stadium fundraisers to benefit local non-profit organizations. These include special theme nights like Soccer Night to benefit the National MS Society and Tunnels to Towers Night to benefit the Tunnels to Towers Foundation. Each night featured a specialty themed jersey auction/raffle, providing an enhancement to the nightly theme while raising funds and awareness for great causes. These jerseys were auctioned online through LiveSource.

'CATS IN THE COMMUNITY

VALLEYCATS COMMITMENT TO EDUCATION

Education is a big focus for the ValleyCats, and they expanded this program to host three Education Days at "The Joe", while continuing to partner with Transfinder. Over 90 schools and a sold-out crowd fans our special 10 AM games by covering STEM (Science, Technology, Engineering, and Math) topics in an interactive pregame curriculum. They also received a dose of character development by taking the anti-bullying peace pledge before the game. Reading is another focus for the 'Cats as they partner with Highmark Blue Shield of Northeastern New York on a summer reading initiative that culminates in SouthPaw's Not So Scary Halloween Night at "The Joe". Also, prior to every Sunday home game, members of the team read a book to the children in attendance and each child gets to take a copy of the book home.

BASEBALL CAMPS & CLINICS

Part of the ValleyCats' mission as the Capital Region's professional baseball team is to act as a steward for the game. To encourage kids to get involved in baseball and learn the skills required to play the game, the ValleyCats host multiple camps and clinics throughout the summer. The camps focus on everything from fun-filled fitness activities, to more specific instruction from players and coaches. The ValleyCats have partnered with multiple businesses to provide clinics to specific groups of children at no cost.

HEALTHY LIVING

The 'Cats recognize the importance of a healthy lifestyle for their team, staff, and fans, from the food we eat and activities we participate in, to taking care of our community. A few ways the 'Cats promote a healthy lifestyle around the park includes offering healthy meals and snacks at select kiosks, a Father's Day 5k and MS Walk to encourage everyone to remain active, Sunday Fundays in which children can play catch on the field prior to the game and run the bases afterwards, and much more!
