Good News!

We have exciting opportunities for you to support our 2024-2025 season! In exchange for your support, we are offering you amazing hands-on opportunities and benefits with international visibility to be a part of the process of supporting and developing our talent during our 11th year of making the Southwest Ohio a fashion destination. Our new season kicks off July 12th, 2024, and we are looking for more than just sponsorships; we are looking for long term partners with individuals, businesses, and organizations with shared values to accomplish our mission of keeping Cincinnati and Dayton the Fashion Capital for the development and success of raw fashion based talent!

Since 2013, fashion talent from around the world have traveled to the Dayton to get hands on experience and access to our work. To date we have helped start up organizations in Michigan, Florida, New Mexico, New York and right here in Dayton build tables of their own to carve out a section of the \$900 billion dollar a year fashion industry. In 2025, we are expanding our work to include Dayton's first accredited Fashion and Design certification and degree program the Fashion Institute of Ohio and we're launching the The Cincinnati Fashion Incubator along with Fashion Week of Cincinnati!

(DE-FI) Global INC has singled handedly helped to launch the careers of over one thousands models, fashion designers, photographers, sewists, and more; many of whom have graced the pages of Vogue Magazine. Their designs have been featured on A-List celebrities at red carpet events such as the Oscars and have hands on experience working the big tent events at the granddaddy of all fashion events, New York Fashion Week!

Our upcoming season is designed to bolster emerging fashion professionals across Southwest Ohio. As a partner and/or sponsor, you will receive benefits designed to increase your company's visibility, reach, amplification, and placement. What makes our 2024-2025 season such an amazing opportunity to get on board and support is, the foundation has already been laid. You are the key component in building our next level of success which has been built in large part to the diverse backgrounds of our supporters ranging from fashion professionals, business owners, local media, community leaders, and more. By lending us your name and providing financial support, services and/or resources, you are helping us become an economic driving force for our community.

We appreciate your time and consideration in becoming partners with the (DE-FI) Global INC and look forward to hearing from you soon to discuss growing together. If you have any questions, please feel free to contact me at 937-416-1388.

#TheFashionExperience

It's more than just a fashion show; it's an experience! (DE-FI) Global INC has successfully hosted **13 Sold Out** Runway Experiences since our launch in July 2013. Members of our leadership have been interviewed and hand selected by the Council of Fashion Designers of America CFDA for volunteer opportunities to gain hands on training and experience behind the scenes of New York Fashion Week during the former Mercedes Benz Fashion Week. Members of (DE-FI) have also been invited by Art Hearts Fashion, a major producer of the newly reformatted New York Fashion Week NYFW, to assist with the casting process, write about their designers, as well as attend their main events. Making (DE-FI) one of only a handful of regional fashion organizations in the country with this broad of a range in experience and the only one that has produced high levels of success stories.

Whether you are participating or attending a (DE-FI) produced event, you'll never witness the same event twice! From having a runway of fire with an ancient restored Native American village as a back drop, to shutting down an entire airplane hangar with the Wright B Flyer leading the way; (DE-FI) Global INC LLC guarantees a world class #FashionExperience like no other!

Our partnership packages are customizable and are uniquely designed to fit your organization's visibility and budget. **Partnering with (DE-FI) Global INC offers** your company the opportunity to be a part of the development process of our talent; gain exposure through high visibility; and name recognition to our audience. Benefit **BEFORE** our major events through inclusion in pre-event marketing and opportunities. Benefit **DURING** our events with on site signage, traffic building campaigns, and opportunities to engage directly with our audience. Benefit **AFTER** the event with the quality leads generated throughout the entire targeted and intentional process of our partnership. With a mix of affordable, effective, and promotional opportunities, you're guaranteed that your audience will come looking for you.
