

**DEL
NORTE
HIGH
SCHOOL**

"Everyone has a gift and each individual adds value to our community."

NOTEWORTHY HIGHLIGHTS:

• Inclusive Practices School of Excellence

Del Norte has been recognized for the innovative work the school has done to create more opportunities for students with disabilities to learn in a general education setting.

• More than 100 Student-Led Clubs

The Nighthawks have more than 100 clubs available to them and even more extracurricular activities to join.

UNIQUELY DEL NORTE:

• Health Science and Medical Technology

Del Norte is the only PUSD high school that offers biomedical science courses that provide hands on learning experience in a biomedical pathway.

• Child Development Partners

DNHS is lucky to have feeder schools within walking distance. Childhood Development classes get hands on experience working with younger students at neighboring schools.
