General Information and Guidelines

The preceding suggestions are only a few of the many exquisite items available. Our event coordinator looks forward to assisting you with your menu selection, and will be pleased to customize menus at your request. Menu selections must be submitted four weeks prior to the function date. No food or beverage of any kind can be brought in or taken out of the property or grounds of Castle View properties by the Client without the written permission of the restaurant and are subject to such administration fees and/or labour charges as are deemed necessary by the restaurant.

Guarantees

The event coordinator requires notification of the guaranteed attendance by noon, seven days prior to the function date. If a guaranteed number is not provided before the requested date, the estimated number will be used as the guaranteed number. The restaurant prepares all banquets based on the guaranteed number. We are unable to guarantee that we would be able to provide the agreed menu and seating for numbers exceeding the confirmed total attendance. In the event that the attendance is lower than the guarantee, the customer is responsible for payment for the guaranteed number. Castle View reserves the right to move a function to another room if the guarantee has changed to the point where another room would better accommodate the function. Please be advised that rental and/or labour charges may be assessed for the function space and personnel involved.

Facility Fee

A facility fee will be levied for all events. The facility fee is additional and varies according to the function room. Facility fee is based on day and evening functions. Day functions must vacate the facility no later than 5 p.m. and evening functions cannot have possession of the room earlier than 5 p.m. Prior arrangements must be made if the room is required later or earlier.

Beverages

The Alcohol and Gaming Commission regulate the sale of alcoholic beverages. As a licensee, this property is responsible for the administration of these regulations. Therefore, no alcoholic beverages can be brought onto or taken out of our licensed establishment from any outside sources, which includes all donated alcohol products. It is the law that all alcohol products consumed at this property must be purchased through the L.C.B.O. or Brewer's Retail by this property. The earliest bar service is 11 a.m. and the latest is 1 a.m. All entertainment should cease at that time in order to vacate all the function rooms by 1:30 a.m. Castle View reserves the right to verify identification for any person who appears to be less than 25 years old.

Deposits and Payment Policy

An initial deposit is required to hold any event for a specific date. This deposit is non-refundable once the date is secured and will be credited toward the total charge of your event(s).

Guests will be provided with personalized quotes with an estimate of their expenditures prior to their function. All private and social functions will require full payment on the date of the event. An itemized statement of your account will be forwarded.

Damage and Security

Castle View reserves the right to inspect and control all private functions held on the premises. Liability for damages to the premises will be charged accordingly. The convenors for any functions are held responsible for the other members of their group. Castle View cannot assume responsibility for personal property or equipment brought into its facilities. Personal effects and equipment must be removed from the function room at the end of the function. Castle View is committed to the responsible serving of alcohol because we aim to provide a safe and friendly environment for our guests and staff and want to abide by all municipal, regional, provincial and federal laws governing the sale, purchase, serving and consumption of alcohol. All our staff are trained in the responsible service of alcohol. We seek the co-operation of patrons to assist us in achieving our aim to provide the best possible experience for you and your guests.

Decorations and Entertainment

Please advise us about your intentions of decorating the function room and what form of entertainment you will have for your function. Our events department will be happy to assist you in arranging decorative, floral and/or entertainment requirements. No confetti, rice or floral petals are permitted inside or outside the facilities. A minimum cleaning charge of \$150 will be levied against parties ignoring this rule.

S.O.C.A.N.

We are required by law to collect, on behalf of the Society of Composers, Authors and Music Publishers of Canada, royalties when copyright music is played. *S.O.C.A.N. fee is subject to change without notice.

Re: Sound

We are also required by law to obtain a RE: Sound license. RE: Sound levies licensing fees and in turn compensates Artists and Record Companies. Similar to S.O.C.A.N, it is determined by seating and standing capacity and With Dancing or Without Dancing.

Storage/Room Set up

The facility must be advised as to any special deliveries and room set-up requirements prior to the function date. Delivery of materials will only be accepted 72 hours prior to the function (storage space dependent on availability). All deliveries must be clearly labeled with the name of the organization, contact name, and date of the function.

Prices are per guest (unless otherwise indicated) and are subject to administration fee and applicable taxes (unless an all-inclusive price). Gratuities are not included. All prices are subject to change without notice.
