GUT HEALTH

GET THE FACTS

A healthy gut is essential for overall health and well-being, establishing proper digestion, metabolism and immunity. Meanwhile, poor gut health has been linked to a range of health conditions, such as inflammatory bowel disease, irritable bowel syndrome, allergies and mental health disorders

A woman in a white tank top is shown from the waist up, holding her stomach with both hands. A semi-transparent white rectangular box is overlaid on the image, containing text. The background is a solid light purple color.

IS YOUR GUT UNHEALTHY?

GET THE FACTS

When your body doesn't have enough good bacteria, bad bacteria can thrive. The following can be signs of a gut bacteria imbalance:

Autoimmune problems, such as thyroid issues, rheumatoid arthritis and type 1 diabetes. Digestive issues, such as irritable bowel syndrome, constipation, diarrhea, heartburn or bloating.

STATS

Two-thirds of adults experience recurrent digestive symptoms like gas, bloating and abdominal pain, but few seek care from their doctor. The survey also reveals that most people are not aware of the importance of gut health and ways to improve it

Eating a diet low in fiber. Not getting enough exercise. Traveling or other changes in routine are leading causes of gut health issues

SOUND FAMILIAR?

- + uncomfortable bloating
- + food sensitivities
- + irregular bowel movements
- + constipation
- + acne
- + dry and brittle hair and nails
- + dull skin

You don't have to suffer in silence

WHERE DO I START?

Start with the dynamic duo of probiotics and prebiotics which work together in promoting the good bacteria in your gut

Avoid highly processed foods, sugar (other than naturally occurring) as well as processed meats, and alcohol

Taking care of your gut doesn't have to be hard – and it can have such a big impact on your overall health! Our GreenSynergy Elixir is like 10 supplements in one. It helps with digestion and reduces bloating and so much more. It's a blend of superfood fruits & veggies including your reds, yellows and blues (not just your greens). The magic works from the inside out. People are loving the results they're seeing from this easy daily ritual!

Everyone loves it because it TASTE great, is CONVENIENT as an all-in-1 stick & CHEAPER than buying these products separately!!
