E-VR2022

Date: D/M/Y

This is what they did in the UK and it worked.

Please Note: Take with you a copy of the Sanctioned Lawful Moratorium and the Sheriff's Decree and Lawful Trespass Notice, PLUS The Cease & Desist Notice. **(these documents/pictures can be downloaded from the website)**

This will not only inform our police of the laws the corporation have broken and what is actually taking place in our country but it will make them do their job and investigate matters of Police Complaints

They work for US.

It will help to keep our police off our streets and help to stop them from assaulting our people and if you ring them daily for an update on your formal police complaint no **E-VR2022** they must give you an update of where their investigation is at.

Make sure you lodge all evidence, video footage, letters of threats from your employers, all evidence must be submitted.

Once they notice we have a generic number they will then know we all are United under this number so when it goes to court it will be "The People" Verses the Defendants.

Let's get our police working for us!
