**YOU HAVE BEEN CHARGED WITH AN OFFENCE**

Details of the charges against you:

**MISPRISON OF TREASON** under "**Commonwealth of Australia Constitution Act**"

"NOTICE TO AGENT IS NOTICE TO PRINCIPAL,  
NOTICE TO PRINCIPAL IS NOTICE TO AGENT"

<b>COUNT 1</b>	<b>Creation of an unauthorised, version of "Commonwealth of Australia Constitution Act" in 1975.</b>
<b>COUNT 2</b>	<b>Misrepresenting the Author's names (Sir John Quick LL.D. &amp; Robert Randolph Garran M.A.) in a book other than that in which they had both created together and "For the people" in 1901. This is both a breach of the Constitution and a CRIME of plagiarism, deception, and fraud.</b>
<b>COUNT 3</b>	<b>Forcing the unlawful 1975 Act upon the people of the Commonwealth without requesting a referendum.</b>
<b>COUNT 4</b>	<b>Unlawfully taxing people with property rates through a nonentity known as "Local Government" and trying to hide the crime behind "State Constitutions".</b>
<b>COUNT 5</b>	<b>Sec 1 - There is no Queen known as "Queen of Australia" who was crowned as a successor to "Queen of England, Queen Elizabeth II".</b>

COUNT 6	<b>Sec 2 - Governor General has not been:</b> a) Appointed by the Queen of U.K., b) Letters patent are not made available for the public to easily view.
COUNT 7	<b>Sec 3 - The salary of the Governor General far exceeds "Ten thousand pounds" as mandated by our Commonwealth of Australia Constitution Act 1901, even in today's inflated economic position.</b> There was NO referendum to change the rate to \$495,000.
COUNT 8	<b>Sec 8 - Each elector, in choosing a senator, may only elect "ONCE". Current AEC voting allows for each voter to vote up to 12 senators.</b>
COUNT 9	<b>Sec 16 - There are senators who are not suitable for the position (e.g., lawyers, accountants, etc) which is contrary to what the section requires.</b> These people are not the same as the "House of representatives" in respect to qualifications. HoR should consist of everyday people off the street, NOT ex lawyers, accountants, multi-billionaires, etc.
COUNT 10	<b>Sec 17 - The "Prime Minister" ought to be called "President of the senate" and not retain power greater than that of any other senator, nor have greater position than the Governor General. Creation of the title "Prime Minister" was never agreed to by referendum.</b>
COUNT 11	<b>Sec 24 - There are members of the "House of Representatives" who have NOT obtained their seat through public vote. This is unacceptable.</b>
COUNT 12	<b>Sec 24 - "... five members at least shall be chosen in each Original State..." does NOT equate to 12 members. Numbers OUGHT to be as follow:</b> Victoria - 6, NSW - 7, Tasmania - 5, Queensland - 5, SA - 5, NT - 5, WA - 5. Total of <u>38</u> "House of Representatives" members based on ABS population figures.
COUNT 13	<b>Sec 27 - Changes to the numbers of "House of Representatives" based on calculations under the Constitution for members MUST be passed by the people. The wording "Laws" does not interpret to mean "Change the minimum".</b>
COUNT 14	<b>Sec 30 - The rules put forth by the AEC are in breach and are "FORCING" voters to vote in each election up to 8 times for members.</b>
COUNT 15	<b>Sec 33 - Members of "House of Representatives" have been replaced without calling an election. You can NOT just appoint the next highest election result. The Constitution states: "Whenever a vacancy happens in the House of Representatives, the speaker shall issue his writ for the election of a new member, or if there is no Speaker or if he is absent from the Commonwealth the Governor-General in Council may issue the writ."</b>
COUNT 16	<b>Sec 41 - A legislation has been created to prevent prisoners from voting if their term is greater than 3 years. This is in breach of the Constitution.</b>

COUNT 17	<b>Sec 42</b> - Every member of parliament, with the exception of the current "Governor General" and the "G.A.P." members prior to the election, have failed to swear the correct oath of allegiance or affirmation as per the "Commonwealth of Australia Constitution Act".
COUNT 18	<b>Sec 44</b> - EVERY member of parliament is guilty of: i) Allegiance to a foreign power under the UN, Foreign investment and United States Securities Exchange Commission domiciled in Washington DC. ii) All members are guilty of partaking in these treasonous actions. iii) Multiple members are guilty of undischarged bankruptcy. iv) Independent investigation required v) Independent investigation required
COUNT 19	<b>Sec 45</b> - Failure to step down and create a vacant position in Parliament as required by sections i), ii) and iii)
COUNT 20	<b>Sec 48</b> - Theft & Grand Larceny of Commonwealth funds to pay each and every politician more than the allocated amount, stated in the "Commonwealth of Australia Constitution Act 1901", an amount of four hundred pounds per year. No referendum has ever been held to amend the Constitution to give politicians more money than stated.
COUNT 21	<b>Sec 49</b> - Every past and present politician has brushed aside the UK as our Monarch and Guardian of the law since March of 1901, when the first "Prime Minister" was appointed (Edmund Barton). Introducing Acts which are created to make this land a "Self governing" land, without the Monarch.
COUNT 22	<b>Sec 50</b> - Failure to keep in line with "Section 51" and provide peace, order and good government. This is not a matter of opinion as a country in debt does not have a good government.
COUNT 23	<b>Sec 51</b> - You have failed in "Good governance" as the country is 6 Trillion dollars in debt. i) Providing free trade to other countries does not benefit this country. ii) Individuals are discriminately being taxed MULTIPLE times, contrary to the Commonwealth of Australia Constitution Act 1901. iii) Bounties increase based on production size. Discriminatory. iv) Uncontrolled borrowing has put the Commonwealth in unnecessary debt. v) States sold off Commonwealth utilities owned by the People of the Commonwealth without our permission, and politicians must repay the money they have stolen. vi) Any troops not in "Commonwealth regions" must be recalled. vii) Privately owned - FAIL viii) Privately owned businesses - FAIL ix) Putting "Queen of England II" subjects at risk - FAIL x) Protect Coral reef, Whale poaching by Japan - FAIL xi) Private information being handed out to 3rd party's - FAIL xii) All currency (Fiat) has no value and is no longer backed with precious metals. xiii) Reserve bank MUST be removed as it is private, NOT Commonwealth.

	<p>xiv) Independent investigation required.  xv) No longer in line with the Constitution and UK - FAIL  xvi) Fiat currency has zero gold backing - FAIL  xvii) The "Commonwealth" has been stripped from the people - FAIL  xviii) Independent investigation required.  xix) Too many aliens disregarding our basic law, the Constitution - FAIL  xx) Too much foreign investors raping the land - FAIL  xxi) The previous vote was a Plebiscite NOT a Referendum - FAIL  xxii) Independent investigation required.  xxiii) Where has the \$TRILLIONS worth of trust funds gone for retirees - FAIL  xxiv) Courts are to be made just and fair once again. NOT a business - FAIL  xxv) Teaching the Constitution was removed from schools. ALL courts are businesses. This must be reversed as it creates a vested interest in currency and NOT justice. They need to operate lawfully and ethically.  xxvi) Laws being made to suit "Special Races" are operating outside the Constitution. It is discrimination.  xxvii) Permitting people to immigrate without first and foremost educating them to the Constitutional law.  xxviii) Allowing Criminals &amp; terrorists into the country and also not deporting any that break our own laws.  xxix) Get this country right before giving financial assistance to another-FAIL  xxx) Independent investigation required.  xxxi) Undervaluations of land to steal properties from retirees, for the purpose of state development. (Citing: Ron Rowton, a 93-year-old from High Wycombe, WA)  xxxii) Railways are privately owned/operated - FAIL  xxxiii) Railways are privately owned/operated - FAIL  xxxiv) Railways are privately owned/operated - FAIL  xxxv) Independent investigation required.  xxxvi) The people make the laws.  xxxvii) Independent investigation required.  xxxviii) Independent investigation required - HUGE FAIL  xxxix) Independent investigation required.</p>
<p><b>COUNT 24</b></p>	<p><b><u>Sec 52</u></b> - All Commonwealth places belonging to the public ought to be openly available to the general public and unable to evict persons from said locations under force or otherwise. Courts, parks, police stations, government buildings, etc, are all supposed to be "PUBLIC" property.</p>
<p><b>COUNT 25</b></p>	<p><b><u>Sec 53</u></b> - MAJOR breach of this section in MANY ways. Ultimately, the key to this section is as follows: "The Senate may not amend any proposed law so as to increase any proposed charge or burden on the people".  a) .... or to impose taxation, by reason only of its containing provisions for the imposition or appropriation <u>of fines</u> or other pecuniary <u>penalties</u>, or for the <u>demand</u> or <u>payment</u> or <u>appropriation</u> of fees for licences, or fees for services under the proposed law.</p>
<p><b>COUNT 26</b></p>	<p><b><u>Sec 56</u></b> - Most revenues have not been created in line with this section and sec 55, therefore are only valid with Royal Assent. Breathalysers, licenses, fines, registration, firearm licenses, etc, are all <del>restricted</del> unlawful without Royal Assent and must be repealed.</p>

COUNT 27	<b><u>Sec 57</u> - Governor Generals have failed their duty in the past (e.g., 1901, 1975, 1986, 1999) to dissolve parliaments. GG are recommended by the PM, so there is a conflict of interest between parties across the board.</b>
COUNT 28	<b><u>Sec 58</u> - Assent by GG or Ultimately the Queen, on all laws affecting the "Commonwealth of Australia Constitution Act" has not been provided. At minimum the "Letters of Patent" need to be available as stated in Count 6.</b>
COUNT 29	<b><u>Sec 59</u> - Royal commission required to investigate individuals and quantity of failings - FAIL</b>
COUNT 30	<b><u>Sec 60</u> - This is where EVERY "Prime Minister" that has ever been since 1975 is guilty of creating an unlawful Constitution with author long deceased. This is treason to the Constitution and Plagiarism. As per Count 1,2 &amp; 3.</b>
COUNT 31	<b><u>Sec 61</u> - Creation of "Queen of Australia" is not recognized.</b>
COUNT 32	<b><u>Sec 63</u> - Governor General has been stripped of his constitutional position.</b>
COUNT 33	<b><u>Sec 65</u> - Ministers of States shall NOT exceed 7.</b>
COUNT 34	<b><u>Sec 66</u> - Salaries for Ministers of state shall NOT exceed twelve thousand pounds a year. Ministers ought NOT be receiving salaries in excess of this figure.</b>
COUNT 35	<b><u>Sec 67</u> - The Governor General should be removing corrupt politicians. It should not be up to the public to highlight the corruption...and there ought not be a conflict of interest with the President (Prime) Minister.</b>
COUNT 36	<b><u>Sec 69</u> - Privatization of all services noted in this section by the states and federally is against the LAW. These services belong to the wealth of the people.</b>
COUNT 37	<b><u>Sec 70</u> - Independent investigation required - FAIL</b>
COUNT 38	<b><u>Sec 71</u> - The High Court is to be a "Commonwealth" Federal Jurisdiction. Currently all courts (Magistrate, County, Supreme &amp; High) are foreign entities registered in USA at the United States Securities Exchange Commission domiciled in Washington DC. This is not a Justice system, this is a Corpocracy controlled policy enforcing department.</b>
COUNT 39	<b><u>Sec 72</u> - Every member of parliament, past and present has failed to highlight the breach of this section. The Governor General must remove corrupt Justices of the High Court for allowing the Judicial system to become foreign owned and controlled.</b>

COUNT 40	<b><u>Sec 73</u> - Judicial system is controlled by corporation rules and is NOT as the justice system was created. Individuals are treated guilty on EVERY occasion, and it is expected of them to prove innocence. This is unconstitutional.</b>
COUNT 41	<b><u>Sec 74</u> - The Privy council has been removed from our judicial process and is one of the, if not THE largest breach of our Constitution. The people have no right of appeal to the protection of our Monarch/Crown.</b>
COUNT 42	<b><u>Sec 75 &amp; 79</u> - The High Court does NOT have the right to alter or omit items in the Constitution without a referendum of the People, nor does the High Court have the right to make rulings which are contrary to the Constitution. Multiple breaches.</b>
COUNT 43	<b><u>Sec 80</u> - Every individual has the right to a public and open trial. One individual in Tasmania, accused of a multiple shooting in 1996 has not had such a right. This was then a precursor to removal of individuals rights to bear arms to defend "The people" from invasion or from a corrupt Government.</b>
COUNT 44	<b><u>Sec 81</u> - Resources within this Commonwealth of Australia land have been sold off with minimal proceeds staying within the Commonwealth. This action has stripped the wealth from all the people by creating excessive tax burden on the people, due to poor governance.</b>
COUNT 45	<b><u>Sec 82</u> - The poor governance and poor financial management has caused the country to become so far in debt that the next 5 generations will be unable to pay it, even with excessively high taxes.</b>
COUNT 46	<b><u>Sec 83</u> - Independent investigation required - FAIL</b>
COUNT 47	<b><u>Sec 85</u> - Independent investigation required - FAIL</b>
COUNT 48	<b><u>Sec 86-91</u> - Independent investigation required - FAIL</b>
COUNT 49	<b><u>Sec 92</u> - There ought NOT be charges (Tax) for local goods. GST was never taken to referendum, as it conflicts with the Constitution.</b>
COUNT 50	<b><u>Sec 93-99</u> - Independent investigation required - FAIL</b>
COUNT 51	<b><u>Sec 100</u> - Interference by Federal Government and State Governments with the waterways has impeded farmers the ability to water and charging residents excessive fees and manipulating the chemical composition of water.</b>
COUNT 52	<b><u>Sec 101-105</u> - Independent investigation required - FAIL</b>

COUNT 53	<b><u>Sec 106-108</u> - States are completely disregarding the "Commonwealth of Australia Constitution Act". They are creating a 3rd tier of Government, even after 2 referendums with public vote of "NO" to Local Government.</b>
COUNT 54	<b><u>Sec 109</u> - This section has an excessive amount of breaches at both Federal and State level. Every member of Politics is guilty of treason and punishable under the "Treason laws" from 1901.</b>
COUNT 55	<b><u>Sec 110-113</u> - Independent investigation required - FAIL</b>
COUNT 56	<b><u>Sec 114</u> - Every State have breached by creating a Police FORCE with military grade equipment and also by listing them on the United States Securities Exchange Commission domiciled in Washington DC, in turn creating a "Foreign controlled, Military Force" = TREASON</b>
COUNT 57	<b><u>Sec 115</u> - States are using Fiat currency created by a privately-owned Federal bank. This is another foreign controlled entity. Gold and Silver ought to be the ONLY money used by the people for trade as per the "Commonwealth of Australia Constitution Act" 1901.</b>
COUNT 58	<b><u>Sec 116</u> - The Commonwealth have disregarded the Constitution in favour of "Foreign controlled", Islamic laws. This country was founded on Christianity and God, NOT Islam and Allah. By all means let the people in, but they MUST follow our Constitution to the TEE.</b>
COUNT 59	<b><u>Sec 117</u> - Discrimination happens from State to State in more ways than can be measured. One example is Firearm licenses/registration ought not be required for Longarm. Pistols require to be registered. This was from the original firearms Act.</b>
COUNT 60	<b><u>Sec 118</u> - Government has taken "Ownership" of the judicial system by means of "Control via funding" type corruption. The justice system is not "Just", nor is it consistent, nor does it give every individual a fair trial. Courts are consistently performing a "Cash-Grab".</b>
COUNT 61	<b><u>Sec 119</u> - There is an invasion taking place which has been instigated by politicians. There are a HUGE number of investors buying up property in Australia (Including Chinese government). We are also controlled by the United States Securities Exchange Commission domiciled in Washington DC and there are currently a high number of attacks on Australians by immigrants who have come to this country with malicious intent.</b>
COUNT 62	<b><u>Sec 120</u> - There are approximately 70% of the prisons taken up by "Victimless" crimes. This is unlawful as they have not committed a crime against the laws of this country (Constitution) nor its people.</b>
COUNT 63	<b><u>Sec 121-127</u> - Independent investigation required - FAIL</b>

<b>COUNT 64</b>	<b>Sec 128 - The referendum results are being ignored by politicians. There has even been tampering involved to achieve desired results. A plebiscite is NOT a referendum. No changes to the Constitution without the people's Referendum vote. No introduction of some variant within the Constitution without the people's Referendum vote.</b>
<b>COUNT 65</b>	<b><u>FAILING THE CORRECT OATH / AFFIRMATION</u> Every Naval, military, police, politician, judge, JP, etc have all been taking the Oath incorrectly. By incorrectly taking an oath, it invalidates legislations, Laws, prison sentencing, etc. EVERY Politician needs to take the Constitution seriously...it is YOUR DUTY!</b>
<b>COUNT 66</b>	<b>Please refer to the Attached Document for Crimes Against Humanity</b>

## SUGGESTED ACTIONS

### Option #1:

- Reverse all the legislation removing the "Queen of Australia" as our Monarch.
- Every public servant and politician shall instantly swear the CORRECT oath as per the 1900/1901 "Commonwealth of Australia Constitution Act".
- ALL Commonwealth departments must immediately withdraw from operating on the United States Securities Exchange Commission domiciled in Washington DC, so the Australian people can get back the "Common-Wealth" as it was intended to be.
  - Ensure that EVERY politician, public officer is learned with the Constitution.
  - Remove all crimes where there is no victim involved and no injured party.
- After the above, you will be permitted to continue in the governance of the country in an "honest and just manner".

### Option #2:

- Do nothing and ignore the fact EVERY past, present and possible future politician is guilty of "Treason to the mother Crown".
- Every politician and public servant will face "Treason" charges on 65 counts each based on the definition of Treason for 1900/1901, being that the Constitution is of that era.

### Option #3:

- Take this matter to court and be held "PERSONALLY" accountable (Not from your insurance account) for every charge, to a value of \$300 Billion per count for damages to past/present/future generations (Upwards of \$19.5 Trillion), with no specific cap to the limit. The total amount for every individual politician and public servant fined, will be placed into a non-government-controlled trust for the "People" of the land, we know as Commonwealth of Australia.
- Government representatives have shown they are not trustworthy. They have allowed greed and power to take hold and ruin the lives of normal men, women, and children.

**Statement Of Claim** Case Docket Number: SOC / NSW / 2020 / 0004

In relation to the Statement of Claim and the supporting evidence presented this day by Brian Malcolm Tucker, the Plaintiff, we the Jury, consisting of twelve reasonably minded men and women and having considered all the evidence presented at this hearing, issue the following orders:

We the Jury issue an order which confirms that the Defendants have acted unlawfully and criminally in relation to the following crimes:

### **An Abuse of Position**

The Defendants, by their failure to obtain consent, authority and/or jurisdiction have committed crimes against the people and have used their positions and statutory legislation to target an innocent living man.

The Defendants have failed to identify the lawful owner of the fictitious name 'BRIAN MALCOLM TUCKER.'

### **Note:**

The Declaration of the International Common Law Court: Borrowing from the declaration of our ancestors, made in Arbroath in 1320, we declare that, as long as but a hundred of us remain alive, never will we on any conditions be brought under mandatory rule by legal statute.'

International Common Law Court - Lawful Notice: 'No living men or women who have confirmed their standing under the jurisdiction of the Common Law Court will be subjected to statutory control, until such time that the state can confirm that they have established a superior claim to that of the Common Law Court.

The use of Common Law Court identification confirms that living men and women stand under the jurisdiction of the Common Law Court. It therefore becomes a criminal offence to criminally coerce the individual identified into the statutory system and a crime against the people. Anyone responsible for criminal coercion will be held personally liable in their private capacity and will have to answer to the people.'

## **Penalties**

There is no restriction on the power of a Common Law Court to access any individual, place or thing, nor any limitation on the duration or rights of the Common Law Court. The Common Law Court and its Sheriff can issue Public Summonses that are binding on any individual or institution, and enforceable by the Common Law Court Sheriff, who has an unrestricted right to bring them into the Common Law Court, or use any other means to uphold the orders and bring accountability to the defendant(s). This may include but is not limited to garnishing the defendants bank accounts, commercial liens and even bringing the defendant into the statutory system to have the orders upheld at a cost to the defendant.

The verdict of the Common Law Court Jury is final and not subject to appeal, simply because a reasonable and non-coerced group of individuals can come to the truth of any matter on the basis of the evidence alone, possessed as they are of an inherent knowledge of right and wrong. The truth is not mutable. A defendant is either innocent or guilty; the truth is not subject to revision or reconsideration, since then it is not true.

In the same way, the sentence of the Common Law Court is also final and is enforced not only by the Common Law Court Sheriff but by all individuals. For the Common Law arises from and is the direct responsibility of all people, as are all its procedures. The verdict really is a declaration of the people that they will govern and its decision is final and binding on the guilty.

All matters in this order are enforced through the power of the people through common law justification and are binding upon the defendants.

## **Instructions for enforcing Warrants, seizing properties and assets, and making arrests**

### **A Guide for Citizens, Common Law Sheriffs, and their Deputies**

This brief guide is written for those who are enacting justice against convicted criminals and their corporations. As free and sovereign people, you have the unalienable right and duty to protect your lives and defend your communities against criminality by any power. You will do so in your capacity as Citizen Sheriffs by implementing the lawful Verdicts and Warrants of the Court.

#### **General Purpose and Procedure**

Like any peace officer, your job is to enforce court orders using reasonable force. Your general aim is to make sure that the Court's decisions are enacted. No authority or police officer has the right to impede or stop you, since our Common Law Court's verdicts have universal jurisdiction and supersede any statute or decree. Anyone who interferes with you is committing assault, obstructing justice, and aiding criminals, and can be restrained by you and charged in our Court as accessories to a crime.

In general, your actions are restricted by the terms of the Warrants you carry. You have the right to physically restrain and arrest convicted individuals or those evading arrest, and anyone who assists them. You must promptly deliver the convicted persons without harm to the Court for the execution of their sentences. You have the right to seize any object, asset, property, or product of the guilty parties and their corporations, and to deliver them undamaged to the Court. And you have the right to defend yourself in the course of your duties.

#### **Assistance**

As lawful peace officers, you can and should call upon and deputize citizens and law enforcement officers to assist you in your duties. You can deputize them by administering to them an oral Oath, after which you must explain to them and give them copies of the Verdict and Warrants that you and they will be enforcing.

The Deputizing Oath will state,

*“Do you swear to faithfully enforce and execute the terms of the Verdicts and Warrants of the Common Law Court of (name of Court and date of issue) according to the best of your ability, under the jurisdiction of the Court, without ulterior motive or purpose, and at the behest of no other agency or power?”*

If the guilty persons and properties that you seize cannot be promptly and safely delivered to the Court for execution of sentence, you can utilize the prisons and facilities of other police agencies by claiming those spaces in the name of and under the jurisdiction of the Common Law Court, and if applicable, the sovereign Republic in which the Court operates.

### **Seizing the COVID “vaccine” and arresting associated, convicted persons**

A thousand-year-old principle of English Common Law states, *“No man and no ruler is above the law.”* Our Court has ordered the arrest of convicted heads of state, churches, and corporations, and the seizure of the COVID “vaccine” as a prohibited, genocide-derived drug. So how can you and other Citizen Sheriffs accomplish these things in the face of such powerful adversaries?

Your greatest weapon is your own inner conviction that you are acting justly by enforcing the law against a criminal power. You must believe in what you are doing and be able to answer questions and challenges knowledgeably. Your personal confidence and authority will help to shape events.

Also, remember that you are not acting alone. You have behind you the lawful and moral power of the Court and the physical force of the people around you. All citizens have the right and duty to help you enforce our Court’s Warrants once they are educated about why the COVID “vaccine” is being seized. Do not hesitate to deputize dozens of people to help you make the arrests and seize the illegal drugs. Imagine the impact of throngs of people occupying the corporate headquarters of Pfizer and confiscating truckloads of COVID “vaccines”!

Next, know that the best way to enforce the Court’s Warrants is to begin a chain reaction among many people who will help to shut down the “vaccinations” and stop the criminals responsible. Knowledge is power, and it must be spread like a virus throughout society. Turn your enforcement action into a widely publicized event that will encourage others to act and give them confidence to take power.

When you confront those whom you are to arrest or their accomplices, or when you seize the COVID drug, do so firmly and forcefully, but respectfully. Read the Warrants aloud and notify them that you are acting as the legal agent of the Court.

When making arrests or seizures, physical presence is important. After you proclaim the Warrants, you should have several large fellow Sheriffs take hold of the felons and the confiscated drugs, and remove them quickly from the premises. Do not engage in arguments, name calling, or physical confrontations with others. Have one of your deputies film and record the arrests and seizures, as evidence for the Court and the public that the Warrants have been duly enforced. The same deputy should act as a media liaison in case the press appears to cover the event, and will issue a prepared public statement.

### **On your personal liability and safety as a Citizen Sheriff**

While you are acting on behalf of the Court, you are protected from being held personally liable for your actions, provided you act lawfully and in accordance with the Warrants. The Court assumes vicarious liability for you and your behavior during your actions as a Sheriff, which means that no-one can sue you personally for damages, assault, or other offenses.

Legally, peace officers have the right and duty to be armed for strictly self-defensive purposes. During your actions, you will be accompanied by at least one Sheriff who is armed, and trained and licensed in firearms. But your best security lies in the presence of many witnesses and deputies during your actions and in the support that you receive from the community. The more successfully you enforce the Court's Warrants, the quicker will our actions be legitimated and win others to our cause.

### **Further education and training**

Before engaging as a Citizen Sheriff, you will attend a training session that accredits you and issues your identification badge and document. But your best education will be won in the course of enforcing Warrants and learning from your own experiences.

Your role in the success of the Common Law Court and its Republic is paramount. As a Sheriff, you are a frontline officer of our movement that is reclaiming the world for all people from a tyrannical Corporatocracy. And so, you must always conduct yourself according to a high personal and professional standard of honesty, integrity, courage, and loyalty to the Common Law and its Republic.

Every living being in the World has the absolute right of self-determination over matters of their own bodies and that of their children. This is inclusive of the self-directed power to claim their soul in Freedom, absolute without the intrusive machinations of corporations, government, religious institutions.

I am the sole and absolute owner of myself, my body and my estate and possess unconditional, allodial, sovereign title thereto and that I abjure, renounce, forsake and disavow utterly and absolutely now and forever all presumptions of power, authority or right by any governmental agency over my rights, life, liberty, freedom or property from whatever source presumed or derived, and I detest any form of mutilation perpetuated under the guise or rationale and this includes the absolute prohibition of non-consensual mutilation of children for purported religious reasons, any forced or coerced use of drugs or surgeries, and against any treatment contrary to the paramount wishes of parents. Concurrent with the highest right of all Living Beings is the preservation of the freedom to choose therapies for any and all purposes and of any kind, free from the onerous and restrictive mandates of false institutions or governments who do not have the best interest of humanity in their hearts but only the dictates of absolute greed in their minds and hearts.

I hereby recognize every Living Being as unique as one of the myriad expressions of the infinitude of Life and Divine Dispensation and therefore have the inalienable right to protection and of having my rights upheld.
