Police Report STEP BY STEP:

We are asking people to put in a Police Report to your local police station.

DO NOT GO ALONE, please form a Posse of people to approach a police station say 6 to 8 people. You are reporting the crime of Misprision of Treason and Crimes against humanity performed by members of the Australian Government, and you want to make a criminal report.

Video the entire process please as evidence of your Police Report -10 minutes segments only or we can't share them.

WHO TAKES THE REPORT?

Your report should have been recorded by Local Detectives or someone of Seniority, otherwise they are being complicit.

"The definition of complicit, "helping to commit a crime or do wrong," describes individuals who are "folded together" metaphorically.

The person who is issuing the Charge Sheet and papers (this is you) to the police will also need to complete their details on the Charge sheet and summons in the box pictured like this below.

You will also need to have a witness sign it.

JOHN CHAPTER 8 KJV @ 17. It is also written in your law, that the testimony of two men is true.

Follow up

The next day you need to ring the police and ask them what is happening with your case and has a case been generated? If not, you can say "then you are being complicit" and we expect you to rectify this. Remember we need to keep the police onside; be nice to our police they are The People's sons and daughters.

Police Report:

Senior Police must make a **REPORT** if you are reporting a **CRIME**, the police will create a report and issue you a criminal police report number. Please have the Superintendent write this VR Generic Number **E-VR2022** number on top of the report page.

Now read Brian Tuckers Charge and Summons sheet, Arrest Warrants, Seizure Notice and Protection Notice. Now read the International Common Law Court of Justice Charge & Summons sheet, the Arrest Warrants, and the Seizure Notice.

When a crime is committed the police must investigate and act and we are asking the police to escort us on the 31st of January to arrest these criminals.

We will then go to the vaccine centres with the police and arrest those criminals jabbing this poison into people's arms and seize the vials of alleged COVID VACCINE and paraphernalia as evidence which police will keep in their evidence storage areas for future evidence in Court Cases.
