

STAFF SERGEANT JOSEPH D'AUGUSTINE MEMORIAL FUND

This Memorial Fund is in memory of Staff Sergeant Joseph D'Augustine, a Combat Veteran who served his country selflessly and honorably in both the Iraq and Afghanistan Wars as a United States Marine. Staff Sergeant D'Augustine was a 2001 Waldwick High School graduate who was killed in action on March 27, 2012 while serving his second tour of duty in Afghanistan. Staff Sergeant D'Augustine was awarded the Bronze Star Medal with Valor for heroic action in the Operation Enduring Freedom Campaign and The Purple Heart Medal for his injuries received that ultimately took his life while serving in that campaign. He was also awarded The Navy and Marine Corps Commendation Medal, and The Navy and Marine Corps Achievement Medal during Operation Iraqi Freedom. We would like to honor Joseph's life by donating all the funds raised to several different Military Causes along with offering a scholarship to one male graduating senior and one female graduating senior of Waldwick High School who exemplify the highest standards of citizenship through strong character and dedication to community service.

On August 23rd, 2021, the SSGT Joseph D'Augustine Memorial Fund will be hosting their 9th annual golf outing at Montammy Golf Club in Alpine, NJ. At the conclusion of the golf tournament there will be a dinner and awards ceremony along with a silent auction and tricky tray raffle. The Memorial Fund is asking for charitable donations in forms of gift certificates, services, or items that can be used for the auction and raffle. Any donation made will be acknowledged during the awards ceremony along with program recognition which will be handed out during the dinner.

All donations are greatly appreciated. We thank you for your time and support with this great cause.
