How did you hear about Secret Santa for Vets?
Donor for Individual or Family?
If Family, up to how many family members?

Thank you for your interest in the Secret Santa for Vets program!

Secret Santa for Vets was created after speaking with many veterans that felt they were forgotten after returning home. They missed the beautiful care packages and letters they were sent while deployed. As most know, many veterans have become a statistic. 22 veterans commit suicide per day and the number is rising. We hope that Secret Santa for Vets will help the receiving veterans realize they will never be forgotten. It is a part of our fight against PTSD and veteran suicide.

**Individual:** Requests for these individuals include food, clothing and gifts. Plan to spend approximately \$50 for each veteran you request.

**Veteran and Family:** Families range in size from two people to larger families. If you adopt a family, we suggest that you purchase a supermarket gift certificate. You should plan to spend approximately \$50 per family member.

Please note: this is only a guideline to help you plan. Many donors spend far more and some do not spend as much.

**Gift Card Donations:** Many veterans need assistance with food as well as gifts. We also do not always match all of the veterans with a donor due to late nominations. Individuals or families left at the end of the program will receive a gift card for the holidays. Walmart and Amazon gift cards are the most universal.

**Cash Contribution:** Cash contributions will help with shipping costs and to purchase gifts for veterans who were not matched with donors. Please visit [www.ssjdmf.com](http://www.ssjdmf.com) and click on the donate button to contribute.

**Optional: \$10.00 check to help cover shipping expenses made out to SSJDMF**
