

NINE-HOLE LADIES GOLF ASSOCIATION

Any full member of UPCC is eligible for membership in the 9-hole LGA. Our primary purpose is to promote an interest in golf and to establish friendships among our members.

Annual dues are \$75. A USGA handicap is required for all members. Structured games are played every Thursday. Practice rounds are available on Tuesdays.

A \$3 prize fee is charged to the member's UPCC account for each Thursday's play with the collected money awarded to the day's winners. Additional information is available through our website at upcclga9.com.

Sign-up for Tuesdays and Thursdays is done online. The email is generated by Golf Genius.

If you are interested in joining, please discuss our membership procedures with the Golf Pro Shop staff or contact Membership Chair Jeanie Arnold at JGAtherapy@gmail.com.

Please put your membership application and a check in the amount of \$75 made payable to UPCC Nine Hole LGA in the Nine Hole Box in the Pro Shop, ATTN: Jeanie Arnold.

Thank you for your interest in joining the Nine Hole LGA. We look forward to playing with you!
