

**President's Message
November 2025**

Hello Fellow 9-Hole LGA Golfers:

First of all, happy holidays to all of you, and may you have a wonderful Thanksgiving. We look forward to sharing some festive time in the upcoming months.

Having survived an uneventful and hurricane-free fall, we now embark on winter and welcome a new season for our League. We've already had a successful pre-season Warm-Up event and a fun Opening Day...so now let's kick things into gear.

Our Give Back Committee is providing us with a meaningful volunteer opportunity on **Monday December 8th**, from 1 to 3 pm at All Faiths Food Bank, where we'll be packing bags of food for children in need. Hopefully you've received the email detailing how you can participate, but if you have any questions, Kim Huebner kimhuebner1@gmail.com would be happy to help you.

Next up is our Holiday Golf celebration! The "*Frozen14*" committee has been hard at work to bring us a special day on **Thursday, December 11th**. We have invited the 18-Hole League to join us for 14 holes of a modified Chapman format golf event, followed by a festive brunch, games, prizes and fun! Mark your calendars and put on your favorite holiday bling to kick off your holiday season in Frozen fashion. Email invites have gone out and the sign-up sheet is in the Pro Shop. (If you are traveling for the holidays, remember to contact someone to sign up for you.)

As we move into the New Year, note these important dates. Keep in mind that all of our events are listed on our website www.upcc1ga9.com and also on our bulletin board outside the Pro Shop.

Our **2026** schedule is as follows:

New Member Social Jan 28 (new members / non golf) 4 to 6 pm, Varsity Club	Member/Guest March 26 (golf and lunch)
Eclectic Tournament Jan 13 (golf only) Jan 15 (golf and lunch)	Championship April 14 (golf only) April 16 (golf only)
Four Member Tournament Feb 17 (draw night) Feb 19 (golf and lunch)	Closing Day Event April 23 (golf, lunch, meeting and Championship awards)

We will wrap-up 2025 in style at our Holiday event then look forward to great days ahead in 2026. As always, think about how you can get involved in keeping our league fun!! Again, however you celebrate ... I wish you a wonderful holiday season.

Jeanie Arnold
President, UPCC 9-Hole LGA
