- Select the “Tee Times” icon to open the “Tee Sheet”
- Choose your date, course and time of day preferences
- From there you can see available time slots
- Complete with your name (fellow golfers) and any optional notes
- Hit “Book Now” to book your play directly on the app!
- For help and tutorials, click on the three dots that appear on the dark green “Tee Sheet” banner, and you’ll find a “Help” link at the bottom of the drop-down menu

NOTES: You must have registered for the Club Member portal in order to be able to use the App, as the Username and Password you created will be the same one you will use on the App. The app will ask if you would like to receive push notifications. We recommend that you "allow" to stay up to date with important Club announcements.
