PREAMBLE

This Agreement is entered into by the City of Beardstown, a municipal corporation, by its duly constituted Mayor and City Commissioners, hereinafter referred to as the "Employer", and the Fraternal Order of Police, Lodge No. 124, and the Illinois F.O.P. Labor Council, hereinafter referred to as the "Lodge".

The purpose of this Agreement is to provide an orderly collective bargaining relationship between the Employer and the Lodge representing the employees in the bargaining unit, and to make clear the basic terms upon which such relationship depends. It is the intent of both the Employer and the Lodge to work together to provide and maintain satisfactory terms and conditions of employment, and to prevent as well as to adjust misunderstandings and grievances relating to employees' wages, hours and working conditions.

In consideration of mutual promises, covenants and Agreement contained herein, the parties hereto, by their duly authorized representative and/or agents, do mutually covenant and agree as follows:

ARTICLE I RECOGNITION

Section 1.1. Unit Description

The Employer hereby recognizes the Lodge as the sole and exclusive collective bargaining representative for the purpose of collective bargaining on matters relating to wages, hours, and other terms and conditions of employment of all full-time sworn peace officers employed by the City of Beardstown in the ranks of:

Patrolman, except and excluding Chief of Police, non-sworn personnel, confidential, managerial and supervisory employees as defined by the Act, and all other employees of the City of Beardstown.

Section 1.2. Supervisors

Supervisors may continue to perform bargaining unit-work which is incidental to their jobs. They may also perform bargaining unit work in emergency situations and where such work is necessary to train a bargaining unit employee. Such work by supervisors shall not cause any layoffs of the bargaining unit employees.

Section 1.3. Short-Term/Part-Time Employees

The Employer may continue to utilize the services of short-term and part-time employees to perform bargaining unit work in accordance with past practice.

ARTICLE II NEW CLASSIFICATIONS AND VACANCIES

Section 2.1. New Classifications

Where the Employer finds it necessary to create a new job classification, the work of which falls within the scope of the bargaining unit, the Employer and Lodge agree to jointly petition the State Labor Board to seek the necessary unit clarification.

Upon installation of the new position classification, the filling of such position classification shall be in accordance with the posting and bidding procedures of this Agreement. Positions shall be filled in accordance with the Beardstown Police Commission Rules.

Section 2.2. Vacancies

Vacancies shall be created and filled in accordance with applicable provisions of The Police Commission of the City of Beardstown.

ARTICLE III NON-DISCRIMINATION

Section 3.1. Equal Employment Opportunity

The Employer will continue to provide equal employment opportunity for all officers, and develop and apply equal employment practices.

Section 3.2. Prohibition Against Discrimination

Both the Employer and the Lodge agree not to illegally discriminate against any employee on the basis of race, sex, creed, religion, color, marital or parental status, age, national origin, political affiliation and/or beliefs, mental or physical handicap or sexual orientation. Claims of discrimination shall be filed with the appropriate state or federal forum and shall not be filed as grievance claims under this Agreement.

Section 3.3. Lodge Membership or Activity

Neither the Employer nor the Lodge shall interfere with the right of employees covered by this Agreement to become or not become members of the Lodge, and there shall be no discrimination against any such employees because of lawful Lodge membership or non-membership activity or status.

ARTICLE IV MANAGEMENT RIGHTS

The Employer possesses the sole right to operate the Police Department of the City and all management rights repose in it. Except as specifically amended, changed or modified by the Agreement, these rights include, but are not limited to, the following:

- (a) To direct all operations of the Police Department;
- (b) To establish reasonable work rules and schedules of work;

- (c) To hire or promote, transfer, schedule and assign employees in positions and to create, combine, modify and eliminate positions within the Police Department;

- (l) To set patrol zones, number of squad cars per shift, assignment of cars and equipment to personnel and to change these as needed to meet department needs and priorities;
- (m) To determine proper uniform and attire for all sworn personnel, to change, alter or amend this clothing and equipment as needed, and to set the dates of conversion from season to season;
- (n) To determine the shift or duty assignments, the number of personnel per shift or duty assignments, and to change or alter these after proper notice;

- (t) To schedule overtime work as required in the manner most advantageous to the department and in accordance with this Agreement; and,
- (u) To take whatever action is necessary to carry out the functions of the Police Department in situations of emergency.

ARTICLE V SUBCONTRACTING

Section 5.1. General Policy

It is the general policy of the Employer to continue to utilize employees to perform work they are qualified to perform. However, the Employer reserves the right to contract out any work it deems necessary in the interests of economy, improved work product, or emergency without reduction in work to the bargaining unit and if police work is subcontracted on a hire back basis, the bargaining unit will have the right of first refusal.

ARTICLE VI NO STRIKE

Section 6.1. No Strike Commitment

Neither the Lodge nor any officer will call, initiate, authorize, participate in, sanction, encourage, or ratify any work stoppage, slow down, or the concerted interference with the full, faithful and proper performance of the duties of employment with the Employer during the term of this Agreement. Neither the Lodge nor any officer shall refuse to cross any picket line, by whomever established.

Section 6.2. Performance of Duty

It is recognized that employees covered by this Agreement may be required in the line of duty to perform duties growing out of or connected with labor disputes which may arise within the City. The Lodge agrees that no disciplinary action or other action will be

taken by the Lodge against any employee or employees covered by this Agreement by reason of any such action or conduct in the line of duty.

Section 6.3. Resumption of Operations

In the event of action prohibited by Section 6.1 above, the Lodge immediately shall disavow such action and request the officers to return to work, and shall use its best efforts to achieve a prompt resumption of normal operations. The Lodge, including its officials and agents, shall not be liable for any damages, direct or indirect, upon complying with the requirements of this Section.

Section 6.4. Lodge Liability

Upon the failure of the Lodge to comply with the provisions of Section 6.2 above, any agent or official of the Lodge who is an officer covered by this Agreement may be subject to the provisions of Section 6.5 below.

Section 6.5. Discipline of Strikers

Any officer who violates the provisions of Section 6.1 of this Article shall be subject to immediate discharge. Any action taken by the Employer against any officer who participates in action prohibited by Section 6.1 above shall not be considered as a violation of this Agreement and shall not be subject to the provisions of the grievance procedure, except that the issue of whether an officer in fact participated in a prohibited action shall be subject to the grievance and arbitration procedure.

ARTICLE VII RESOLUTION OF IMPASSE

All impasses shall be resolved according to the provisions of Section 14 of the Illinois Public Labor Relations Act, except that all arbitration hearings shall be conducted in Beardstown, Illinois.

ARTICLE VIII PERSONNEL FILES

Section 8.1. Personnel Files

The Employer shall keep a central personnel file within the bargaining unit for each employee. Employer is free to keep working files, but material not maintained in the central personnel file may not provide the basis for disciplinary or other action against an employee.

Section 8.2. Inspection

Upon request of an employee, the Employer shall reasonably permit an employee to inspect his personnel file subject to the following:

- (a) Such inspection shall occur immediately following receipt of the request;
- (b) Such inspection shall occur during daytime working hours Monday through Friday upon reasonable request;

- (c) The employee shall not be permitted to remove any part of the personnel file from the premises but may obtain copies of any information contained therein upon payment for the cost of copying;
- (d) Upon written authorization by the requesting employee, in cases where such employee has a written grievance pending, and is inspecting his file with respect to such grievance, that employee may have a representative of the Lodge present during such inspection and/or may designate in such written authorization that said representative may inspect his personnel file subject to the procedures contained in this Article.

Section 8.3. Notification

Employees shall be given immediate notice by Employer when a formal, written warning or other disciplinary documentation is permanently placed in their personnel file. Upon review, the officer will have an opportunity to respond in writing.

Section 8.4. Limitation on Use of File Material

It is agreed that any material and/or matter not available for inspection, such as provided in Section 8.1 and 8.2 above, shall not be used in any manner or any forum adverse to the officer's interests.

Section 8.5. Removal of File Material

Written reprimands shall be removed after twelve (12) months from date of insertion to the file. Suspensions, other than by the Police Commission shall be removed and placed in a sealed file kept by the City Clerk twenty-four (24) months after date of insertion to the file. Suspensions kept in sealed files will not be opened or considered unless by order of the Circuit Court.

ARTICLE IX DISCIPLINE AND DISCHARGE

Section 9.1. Discipline and Discharge

The parties recognize the principles of progressive and corrective discipline. Disciplinary action or measures shall include the following:

- oral reprimand
- written reprimand
- suspension (notice to be given in writing)
- discharge

Disciplinary action may be imposed upon an employee only for just cause. Any disciplinary action or measure imposed upon a non-probationary employee may be processed as a grievance at step three through the regular grievance procedure, or through the Board of Police Commissioners, but not both.

Appeals referencing the Police Commission action can only be appealed by statutory provisions.

If the Employer has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.

Section 9.2. Limitation

The Employer's agreement to use progressive and corrective disciplinary action does not prohibit the Employer in any case from imposing discipline which is commensurate with the severity of the offense. The Employer shall notify both the employee and the Lodge of disciplinary action. Such notification shall be in writing and shall reflect the specific nature of the offense.

Section 9.3. Pre-disciplinary Meeting

For discipline other than oral and written reprimands, the Employer shall notify the local Lodge of the meeting and then shall meet with the employee involved and inform the employee of the reason for such contemplated discipline, including any names of witnesses and copies of pertinent documents. The employee shall be informed of his contractual rights to Lodge representation and shall be entitled to such, if so requested by the employee, and the employee and Lodge Rep, shall be given the opportunity to rebut or clarify the reasons for such discipline.

Section 9.4. Investigatory Interviews

Where the Employer desires to conduct an investigatory interview of an employee where the results of the interview might result in discipline, the Employer agrees to first inform the employee that the employee has a right to Lodge representation at such interview. If the employee desires such Lodge representation, no interview shall take place without the presence of a Lodge representative. The role of the Lodge representative is limited to assisting the employee, clarifying the facts and suggesting other employees who may have knowledge of the facts.

ARTICLE X DISPUTE RESOLUTION AND GRIEVANCE PROCEDURE

Section 10.1. Definition of a Grievance

A grievance is defined as any unresolved difference between the Employer and the Lodge or any employee regarding the application, meaning or interpretation of this Agreement. This grievance procedure is subject to and shall not conflict with any provisions of the Illinois Public Labor Relations Act.

Section 10.2. Dispute Resolution

In the interest of resolving disputes at the earliest possible time, it is agreed that an attempt to resolve a dispute shall be made between the employee and the Police Chief.

The employee shall make his complaint to the Police Chief. The Chief will notify the employee of the decision within two working days following the day when the

complaint was made. Settlements or withdrawals at this step shall not constitute a precedent in the handling of other grievances. In the event of a complaint, the employee shall first complete his assigned work task, and complain later.

Section 10.3. Representation

Grievances may be processed by the Lodge on behalf of an employee or on-behalf of a group of employees. The Employer may file contract grievances directly at Step 3, Section 10.8 of this Article. Either party may have the grievant or one grievant representing group grievants present at any step of the grievance procedure, and the employee is entitled to Lodge representation at each and every step of the grievance procedure upon his request.

Grievances may be filed on behalf of two or more employees only if the same facts, issues and requested remedy apply to all employees in the group.

Section 10.4. Subject Matter

Only one subject matter shall be covered in any one grievance. A grievance shall contain a statement of the grievant's position, the Article, and Section of the Agreement allegedly violated, the date of the alleged violation, the relief sought, and the signature of the grieving employee(s) and the date.

Section 10.5. Time Limitations

Grievances may be withdrawn at any step of the grievance procedure without precedent. Grievances not appealed within the designated time limits will be treated as withdrawn grievances.

The Employer's failure to respond within the time limits shall not find in favor of the grievant, but shall automatically advance the grievance to the next step, except Step 3. Time limits may be extended by mutual agreement.

Section 10.6. Grievance Processing

No employee or Lodge representative shall leave his work assignment to investigate, file or process grievances without first making mutual arrangements with the Chief and such mutual arrangements shall not be denied unreasonably. In the event of a grievance, the employee shall always perform his assigned work task and grieve his complaint later, unless the employee reasonably believes that the assignment endangers his safety.

Section 10.7. Grievance Meetings

A maximum of two (2) employees (the grievant and/or Lodge Rep) per work shift shall be excused from work with pay to participate in a Step 1 or Step 2 grievance meeting. The employee(s) shall only be excused for the amount of time reasonably required to present the grievance. The employee(s) shall not be paid for any time during which a grievance meeting occurs outside of the employee's work shift. In the event of a grievance, the employee shall first perform his assigned work task and file his grievance later.

Section 10.8. Steps in Procedure

Disputes arising under this Agreement shall be resolved as follows:

Step 1. If no agreement is reached between the employee and the Chief, as provided for in Section 10.2, Dispute Resolution, the Lodge shall prepare a written grievance on a form mutually agreed to and presented to the Mayor no later than ten (10) working days after the employee was notified of the decision by the Chief. A copy of the grievance form is found attached to this Agreement. Within five (5) working days after the grievance has been submitted, the Mayor shall meet with the grievant and the Lodge Rep to discuss the grievance and make a good faith attempt to resolve the grievance. The Mayor shall respond in writing to the grievant and the Lodge Rep within five (5) working days following the meeting.

Step 2. If the grievance is not settled at Step 1 the grievance may be referred in writing, within five (5) working days after the decision of the Mayor to a Committee consisting of the Mayor and all City Council Members. Within twenty (20) working days after the grievance has been filed with the Committee, the Committee shall meet with the Lodge and the grievant to discuss the grievance and make a good faith effort to resolve the grievance. The Committee shall respond in writing to the grievant and the Lodge within five (5) working days following the meeting.

Step 3. If the dispute is not settled at Step 2, the matter may be submitted to arbitration within ten (10) working days after the Committee's written decision or the expiration of the five (5) day period if the Committee fails to render a written decision. Within ten (10) working days after the matter has been submitted to Arbitration a representative of the Employer and the Lodge shall meet to select an arbitrator from a list of mutually agreed-to arbitrators. If the parties are unable to agree on an arbitrator within ten (10) working days after such meeting, the parties shall request the Federal Mediation and Conciliation Service to submit a list of seven arbitrators. The arbitrator shall be selected from the list of seven (7) by alternate strikes by the Employer representative and the Lodge. The Employer and the Lodge shall use a coin toss to determine who is to strike first. The person whose name remains on the list shall be the arbitrator, provided that either party before striking any names shall have the right to reject one (1) of the arbitrators on the list. The arbitrator shall be notified of his selection by a joint letter from the Employer and the Lodge. Such letter shall request the arbitrator to set a time and a place for the hearing subject to the availability of the Employer and Lodge representatives and shall be notified of the issue where mutually agreed by the parties. All hearings shall be held in the city of Beardstown, Illinois, unless otherwise agreed.

Both parties agree to make a good faith attempt to arrive at a joint statement of facts and issues to be submitted to the arbitrator.

The Employer or Lodge shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall bear the expense of its witness.

Once a determination is made that the matter is arbitrable or if such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the dispute.

The expenses and fees of arbitration and the cost of the hearing room shall be shared equally by the Employer and Lodge. Costs of arbitration shall include the arbitrator's fees, room cost and transcription costs. Nothing in this Article shall preclude the Employer and Lodge from agreeing to use the expedited arbitration procedures. The decision and award of the arbitrator shall be made within forty-five (45) days following the hearing and shall be final and binding on the Employer, the Lodge and the employee or employees involved. The arbitrator shall have no power to amend, modify, nullify, ignore, add to or subtract from the provisions of the Agreement.

ARTICLE XI SENIORITY

Section 11.1. Definition of Seniority

As used herein, the term "seniority" shall refer to and be defined as the continuous length of service or employment covered by this Agreement from the date of last hire.

Section 11.2. Probation Period

An employee is a "probationary employee" for his first twelve (12) months of employment. No matter concerning the discipline, layoff or termination of a probationary employee shall be subject to the grievance and arbitration procedures; however, a probationary employee may request a hearing before the Board of Police Commissioners in accordance with their rules and procedures. A probationary employee shall have no seniority, except as otherwise provided in this Agreement, until he has completed his probationary period. Upon the completion of his probationary period, he will acquire seniority from his date of hire.

An employee who is currently employed as a part-time police officer by the City and is converted to full-time status shall be considered a probationary employee for his first six (6) months of full-time employment provided the following conditions are met:

- (a) the employee has been a State of Illinois certified law enforcement officer for at least six (6) months prior to appointment; and
- (b) the employee has been employed by the City as a part-time sworn law enforcement officer for at least six (6) months immediately prior to his employment; and
- (c) the employee's performance and number of hours worked in the six (6) months immediately prior to appointment has been satisfactory as determined by the Board of Fire and Police Commissioners.

New full-time employees eligible for this waiver shall be advised upon hiring by the Board of Fire and Police Commissioners.

Section 11.3. Seniority List

The Employer and Lodge have agreed upon the initial seniority list setting forth the present seniority dates for all employees covered by this Agreement and shall become effective on or after the date of execution of this Agreement. Such lists shall finally resolve all questions or seniority affecting employees covered under this Agreement or employed at the time the Agreement becomes effective. Disputes as to seniority listing shall be resolved through the grievance procedure. The initial agreed list is attached hereto as Exhibit A and made a part hereof.

Section 11.4. Termination of Seniority

An employee may be terminated by the Employer and his seniority broken when he:

- (a) quits; or
- (b) is discharged for just cause; or
- (c) is laid off pursuant to the provisions or the applicable agreement for a period of twelve (12) months; or
- (d) accepts gainful employment while on an approved leave of absence from the Police Department; or
- (e) is absent without proper notification or authorization; or
- (f) fails to return to work at the conclusion of an approved leave of absence.

Section 11.5. Seniority While on Leave

Employees will not continue to accrue seniority credit for time spent on authorized unpaid leave of absence.

Section 11.6. Conflicts in Vacation

Employees shall select the periods of their annual vacation on the basis of seniority. Vacation schedules may be adjusted to accommodate seasonal operations, significant revision in organization, work assignments or the number of personnel in particular ranks. Provided however, that no more than one employee from each shift may take vacation at the same time and no employee shall receive priority for more than two weeks vacation per year.

ARTICLE XII LAYOFF

Section 12.1. Layoff

Any layoff will be initiated only in cases of economic necessity. In the event the Employer determines a layoff is necessary, employees shall be laid off within each particular job classification in the inverse order of their seniority unless compliance with State or Federal Law requires otherwise. The Employer agrees to inform the Lodge in writing not less than thirty (30) days prior to such layoffs and to provide the Lodge with the names of all employees to be laid off in such notice. If during the time of layoff, a shift vacancy would occur or reason to normally utilize a "part-time employee", this vacancy will be first offered to the officer in layoff status. An officer in lay-off status who refuses part-time employment opportunities shall not suffer any loss of seniority or rights to recall to a full-time position.

Section 12.2. Layoff Order

Probationary employees, temporary and part-time employees shall be laid off first, then full-time employees shall be laid off in inverse order of their seniority. Individual employees shall receive notice in writing of the layoff not less than thirty (30) days prior to the effective date of such layoff.

Section 12.3. Recall

Employees shall be recalled from layoff within each particular job classification according to their seniority. No new employees at all shall be hired until all employees on layoff in that particular job classification desiring to return to work shall have been given the opportunity to return to work to their permanent, full-time positions. Laid off employees shall retain recall rights for a period of twenty-four (24) months after being laid off. An employee who refuses to return to work to a permanent full-time position upon recall shall be considered terminated unless otherwise mutually agreed. An employee must keep the City informed of their permanent address while on the recall list. An employee shall have three business days to reply to the City when the City notifies them of being recalled. An employee who accepts recall shall have ten business days to report for duty.

Section 12.4. Dissolution of Department

In the event the City of Beardstown elects to dissolve the Beardstown Police Department, each officer will be entitled to four (4) months severance pay.

ARTICLE XIII F.O.P. REPRESENTATIVES

For purposes of administering and enforcing the provisions of this Agreement, the Employer agrees as follows:

The officer shall be permitted to consult with a representative of the Labor Council within a reasonable time up to one hour of the time the order is given; as long as it does not interfere with the timely execution of the order. No officer shall be interrogated without being accorded his rights under the Uniform Peace Officers' Disciplinary Act (50 ILCS 725/1 et seq.). Refusal to submit to such testing may subject the employee to discipline, but the officer's taking of the test shall not be construed as a waiver of any objection or rights that he may have.

Section 32.5. Tests to be Conducted

In conducting the testing authorized by this Agreement, the City shall:

- (a) ensure that the laboratory or facility selected conforms to all sound scientific standards;
- (b) establish a chain of custody procedure for both the sample collection and testing that will ensure the integrity of the identity of each sample and test result. No officer covered by this Agreement shall be permitted at any time to become a part of such chain of custody;
- (c) collect a sufficient sample of the same bodily fluid or material from an officer to allow for initial screening, a confirmatory test and a sufficient amount to be set aside reserved for later testing if requested by the officer;
- (d) confirm any sample that tests positive in the initial screening for drugs by testing the second portion of the same sample by gas chromatography mass spectrometry (GCMS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites;
- (e) provide the officer tested with an opportunity to have the additional sample tested within forty-eight (48) hours of the ordered test by a clinical laboratory or hospital facility of the officer's own choosing, at the officer's own expense; provided the officer notifies the City within forty-eight (48) hours of receiving the results of the officer's independent tests;

- (f) require that the laboratory or hospital facility report to the City that a blood or urine sample is positive only if both the initial screening and confirmation test are positive for a particular drug. The parties agree any information concerning such testing or the results thereof should be obtained by the City inconsistent with the understandings expressed herein (e.g. billings for testing that reveal the nature or number of tests administered), the City will not use such information in any manner or forum adverse to the officer's interests;
- (g) require that with regard to alcohol testing, for the purpose of determining whether the officer is under the influence of alcohol, test results showing an alcohol concentration of .04 or more based upon the grams of alcohol per 100 milliliters of blood be considered positive (Note: the foregoing standard shall not preclude the City from attempting to show that test results below .04 demonstrate that the officer's ability to perform his duties was impaired, but the City shall bear the burden of proof in such cases.);
- (h) provide each officer tested with a copy of all information and reports received by the City in connection with the testing and the results;
- (i) ensure that no officer is the subject of any adverse employment action except emergency temporary reassignment or relief from duty with pay during the pendency of any testing procedure. Any such emergency reassignment or relief from duty shall be immediately discontinued in the event of a negative test result.

Section 32.6. Right to Contest

The Council and/or the officer, with or without the Council, shall have the right to file a grievance concerning any testing permitted by this Article contesting the basis for the order to submit to the tests, the administration of the tests, the significance and accuracy of the tests, or results or any other alleged violation of this Article. Such grievances shall be commenced at Step 3 of the grievance procedure. It is agreed that the parties in no way intend or have in any manner restricted, diminished or otherwise impaired any legal rights that officers may have with regard to such testing. Officers retain any such rights as may exist and may pursue the same in their own discretion, with or without the assistance of the Council.

Section 32.7. Voluntary Requests for Assistance

The City shall take no adverse employment action against an officer who voluntarily seeks treatment, counseling or other support for the first instance of an alcohol or drug related problem, other than the City may require reassignment of the officer with pay if he is then unfit for duty in his current assignment. The City shall make available through its Employee Assistance Program a means by which the officer may obtain referrals and treatment. All such requests shall be confidential and any information received by the City, through whatever means, shall not be used in any manner adverse to the officer's interests, except reassignment as described above.

Section 32.8. Discipline

The City shall take no adverse employment action against an officer who tests positive for drugs or alcohol, if such officer is enrolled in and participating in a voluntary treatment program for an alcohol or drug related problem.

An officer who tests positive for drugs or alcohol on both the initial and confirmatory test for abuse of illegal drugs or is found to be under the influence of alcohol or whose ability to perform his duties are impaired shall be subject to discipline including immediate discharge. If the Employer waives discharge for another form of discipline, then the officer must perform as follows:

- (a) the officer agreeing to appropriate treatment as determined by the physician(s) involved;
- (b) the officer discontinues his abuse of alcohol or illegal drugs;
- (c) the officer completes the course of treatment prescribed, including an “after-care” group for a period of up to twelve months;
- (d) the officer agrees to submit to random testing during hours of work within the twelve month period after a positive confirmatory test in addition to random unit-wide drug testing.

Officers who do not agree to or who do not act in accordance with the foregoing, or test positive a second or subsequent time for the abuse of illegal drugs or the presence of alcohol during the hours of work shall be discharged from employment.

The foregoing shall not be construed as an obligation on the part of the City to retain an officer on active status throughout the period of rehabilitation if it is appropriately determined that the officer’s current use of alcohol or drugs prevents such individual from performing the duties of a police officer or whose continuance on active status would constitute a direct threat to the property or safety of others. Such officer shall be afforded the opportunity to use accumulated paid leave or take an unpaid leave of absence, at the officer’s option, pending treatment.

Beardstown Police Officers**

The City of Beardstown (Employer) and the Illinois Fraternal Order of Police Labor Council, representing Beardstown Police Officers (FOP), agree to a trial modification of their collective bargaining agreement (Agreement, term 5/1/2021 to 4/30/2024) in order to schedule officers to work 12 hour workdays. The parties have met and discussed the impact of the adoption of a 12 hour workday and agree to the following terms:

The normal workday shall be 12 hours. Unless otherwise mutually agreed between the Union and City, the starting shift times shall be 6am and 6pm. The normal schedule shall be a 14 day work period with a regular rotation of days worked and days off as follows: 2 on (Monday-Tuesday), 2 off (Wednesday-Thursday), 3 on (Friday-Saturday-Sunday), 2 off (Monday-Tuesday), 2 on (Wednesday-Thursday), 3 off (Friday-Saturday-Sunday), then the schedule cycle repeats. Total regular hours worked will be 84 hours in 14 days. Annual work hours will increase to 2184 hours. Overtime will be paid after the regularly scheduled hours in the work day. Overtime will be paid if an employee is scheduled to work a day off or otherwise works more than 84 hours in a work period of 14 days. Overtime payment, whether cash or compensatory time, will be as per the Agreement's current terms, without change. All sick leave, holidays, and vacation days shall have a value of 8 hours.

This 12 hour schedule is being implemented on a trial basis and must be bargained into the Agreement to become permanent. Either party may opt out of this MOU by meeting and discussing the reasons for opting out with the other, after which the MOU may be terminated with 30 day written notice, at which point the schedule shall return to the 8 hour day.
