THE VISION

Dear Child of God,

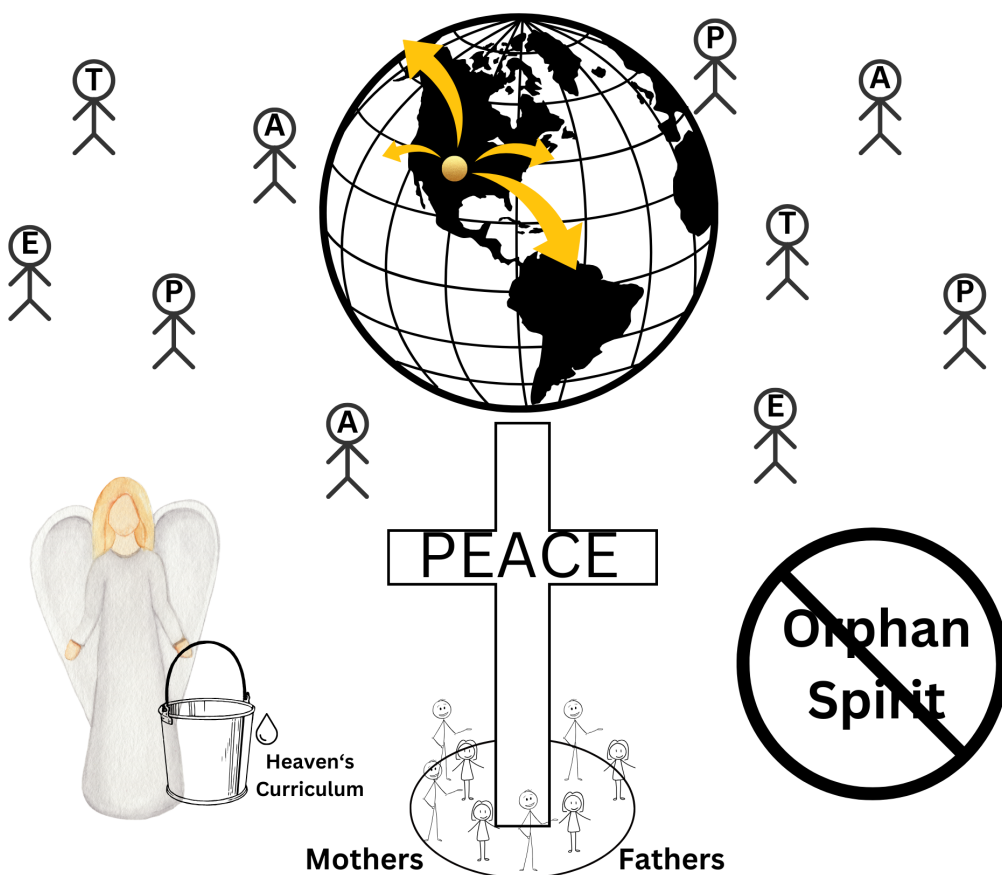

The end of this age has never been closer than today. The only identity that will matter is our identity found in Him, King Jesus. He knew each of us at the foundations of the earth. His Word promises that His plans for us are better than we could ever dream for ourselves.

The Lord has a plan in the last days to protect and provide for His people as He dwells amongst them wherever they may be across the earth. In 2016, while driving through St. Louis and worshipping in the car, I had an open vision that played out in front of me. My friend, Heidi Carlson was with me and can attest to the experience—and the fact that somehow we managed to stay on the road! In the vision, I saw a map of the United States as though it was projected on the windshield with a golden circle in the center. Inside the circle, the letters H U B were written. I then saw arrows flying into and then out of the circle. I was shown that people would come into the central US to be equipped and then sent out again across our country and the world.

'For I know the plans and thoughts I have for you,' says the LORD 'plans for peace and well being and not for disaster, to give you a future and a hope.'

Jeremiah 29:11

Over the next two weeks, the vision expanded and was clarified.

I saw the cross with the word “PEACE” written on it. At the foot of the cross were fathers and mothers—men and women whose hearts had been healed so that they could release The Father’s heart to His children. I knew they were the answer to disarming the powerful orphan spirit at work stealing identity from so many. God’s desire has always been for FAMILY. I could see not only the United States but all the earth. I saw men and women coming into the HUB and going out. Each one had a word written on their chest: Apostle, Prophet, Evangelist, Pastor, Teacher. The purpose of the HUB was for equipping the Body of Christ in the last days. Individual equipping was accomplished in the context of family and community.

We will be prepared to not only do the exploits Daniel spoke of, but the things Jesus promised we would do— somehow even greater than He did!

“And He Himself gave some *to be* apostles, some prophets, some evangelists, and some pastors and teachers, for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ; that we should no longer be children, tossed to and fro and carried about with every wind of doctrine, by the trickery of men, in the cunning craftiness of deceitful plotting, but, speaking the truth in love, may grow up in all things into Him who is the head—Christ— from whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love.”

Ephesians 4:11-16

THE VISION BEING REALIZED

1 Education

2 Equipping

3 Expansion

During those first weeks, the Lord showed me that there would be 3 stages to this vision that would encompass a 10 year period from 2016—2026.

The first He called **EDUCATION**. Valor Christian Academy was a part of that stage. It was a spirit-filled Christian school that was founded in 2014 and operated until 2019. What started out as an accredited Christian school operating in Omaha, Nebraska morphed into a homeschool co-op made up of families—children, parents and grandparents. Each day would begin with worship and prayer. The Lord taught us to seek Him for His plan each day. Yes, we had a schedule but we chose to submit to the direction of the Holy Spirit.

Instead of seeking for the children to learn what the teacher knew, following the Greek model for education, we followed the Hebrew model for education where the goal was for the student to **BECOME** who the teacher was—Jesus. During this stage, Heaven’s Curriculum was taught to Valor students and staff. The curriculum had been given through angelic download to a sister in Christ, Heidi Monosmith. The truth is that this inspired curriculum was but a “drop in the bucket” of what the Lord has to teach His children directly from His throne room if we will seek Him.

It was surprising to me that the Lord never referred to Valor as a school. It was much more than that to Him. He said that it was a “Community of believers being raised up for the Great Harvest.” He was teaching us to live in common-unity with Jesus as our King, led by His Spirit as Ephesians 4:4-6 describes. He was showing us what it was for a community to gather as one, serving each other in love with Him as our focus.

‘There is one body, and one Spirit, even as you are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all.’

Valor operates in partnership with One Whole Heart Ministry (OWH) which is led by Pastor Chuck DeVetter. Together, Valor and OWH were gifted an old school building in 2016 in Greenwood, Nebraska which we’ve continued to steward together. It was filled with collectibles and antiques that the Lord has used to provide for the building since then, a gift worth more than \$1M. The building has been used for weekly worship and ministry equipping events, as well as a residency for missionaries. These missionaries have included couples, children and single adults coming together under one roof—crucifying their flesh pursuing life in the Spirit.

The second stage was called **EQUIPPING**. OWH Ministry has continued to serve the Body of Christ across the US and internationally. OWH Ministers bring hope through repentance and forgiveness, opening the door to intimacy with the Godhead. In addition to inner healing sessions, OWH offers discipleship courses called “Cohearts”. The focus is on overcoming the flesh to live by the Spirit by practicing a whole-hearted lifestyle. We believe that by taking captive every thought unto the obedience of Christ, and walking in forgiveness and repentance moment by moment, it is possible to become unoffendable. Lives have been changed and destinies impacted!

Through the Greenwood Missionary building and the Cohearts, the Lord gave us structures for community living and family discipleship.

The third stage is to be **EXPANSION**. What the Lord has been teaching us through Valor and OWH applied in Greenwood He desires to expand upon. We believe He is leading His people, us and those who will join us in obedience, to establish other “safe haven” locations throughout the US.

Please read on to learn more of this journey with the Lord!

BEAUTIFUL GATE

KINGDOM HOMESTEAD VISION

And all that believed were together, and had all things common; And sold their possessions and goods, and parted them to all men, as every man had need. And they, continuing daily with one accord in the temple, and breaking bread from house to house, did eat their meat with gladness and singleness of heart, Praising God, and having favor with all the people. And the Lord added to the church daily such as should be saved.

Acts 2:44-47

Self-Sustaining Community Elements:

1. Education & Equipping
2. Ranching—Cattle, Sheep, Chickens & horses
3. Farming—Corn, Wheat, Hay
4. Gardening & Canning
5. Community & Housing Development
6. Kingdom Companies

**A COMMUNITY OF BELIEVERS BEING RAISED UP
TOGETHER FOR THE GREAT HARVEST**

1. EDUCATION & EQUIPPING

We believe God's heart is to redeem this generation for Himself. He desires that each child would know His great love for them through His son Jesus Christ. His desire is that they would recognize the power of Holy Spirit that dwells with them, and that they would confidently release all that He placed inside of them. The Lord gave those involved with Valor His model for Kingdom Education. It began with worship, prayer and experiencing the tangible presence of God. It included obtaining Godly wisdom through equipping unto releasing the Kingdom of God to others as each one is called.

Through OWH ministry, the Lord generously released keys to set the captives free! Through inner healing and pursuing after individual intimacy with the Lord and corporate worship, temples within God's people are being equipped to receive their glorious King Jesus!

BEAUTIFUL GATE KINGDOM HOMESTEAD

The primary goal of a Kingdom Homestead is God's presence dwelling amongst His people as they worship Him in all aspects of their life. Worship isn't just singing and praying, and education is not only learning things. It is also the character that is cultivated as we serve one another. Out of His goodness will flow provision for His people as He leads them and protects them.

2. Ranching—

Raising animals such as cattle for their meat, sheep for their fiber, chickens for eggs and horses to help man work the land.

COMMUNITY LIFE ELEMENTS

3. Farming—Corn, Wheat, Hay

The ability to grow various crops such as corn, wheat and hay will allow the homestead to feed and nurture the animals raised here, as well as help feed the community on the property. Being able to grow these crops on the property will allow for sustainable growth without the need to be dependent on outside sources.

4. Gardening & Canning

Another element of self-sustainability is being able to grow your own food. A large garden and greenhouse will provide fresh and healthy organic fruits, vegetables, herbs, etc. to sustain and nourish the residents of the homestead as well as those spending time there. A greenhouse will provide for growing seasons not only in summer, but spring fall and even into the winter months. Food preservation such as canning, dehydrating, freezing and freeze drying will allow for the harvest to last all year.

BEAUTIFUL GATE KINGDOM HOMESTEAD

5. Community & Housing Development

Every healthy community needs a gathering place to come together and a sanctuary to worship the Lord. An Event Center represents a funding source to support financial self-sustainment of the community—it also presents a wonderful opportunity to share the facility with others outside the primary community as an outreach mechanism. From death to life, funerals to baptisms, weddings and other celebrations will draw people in to experience the love of God demonstrated through His people.

COMMUNITY LIFE ELEMENTS

A place for those wanting to live on the homestead: this would include RV hookups, as well as the potential for other single and multi-family homes based on community and investor interest.

Providing part-time or full-time housing options on the property provides another revenue stream to support the community and ministry. Planning spaces that allow children and adults alike to experience the majesty of our God is important and not to be overlooked.

6. KINGDOM COMPANY PARTNERS

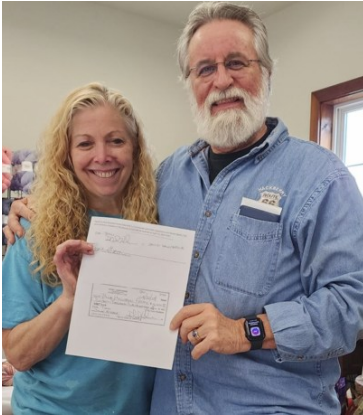

Tholi Corporation (est. 2020)

Krista Brons was given a vision from the Lord for a pair of sandals with a vial of oil next to them. She heard the Lord say, “It’s time to make your shoes.” Krista and her children named the company with the help of the Lord: The Healer Our Lord Is—THOLI.

Krista invited Rachel Baxter, her best friend, into the journey the first week and Rachel has been by Krista’s side cheering her on ever since. Together, they patented the idea of footwear that delivers essential oils to the wearer. God’s Sandals of Peace are now available! The Lord gave the team His formulation for Tholi Holy Anointing Oil to partner with the sandals and other Tholi essential oils and skincare products to bring healing to God’s people.

KINGDOM COMPANY PARTNERS

The Good Shepherd Fiber Mill (est. 2024)

Tholi sandals and accessories require wool. During the development of the heavenly sandal, Krista and Rachel recognized that sourcing the wool in the specs needed would be an issue. Soon after, the Lord orchestrated a divine appointment with the Tholi gals in a little café in downtown Omaha with David who had traveled from Pennsylvania. It was during that meeting that a text message came in saying that a Fiber mill in Pennsylvania had just gone up for sale—and it happened to be only 20 minutes from David's house. Rachel flew back with David to visit the mill. David & his wife, Ruthie, along the shepherds, Laura & Pete that had been providing Tholi wool from their flock, agreed to finance the mill that day. The rest is history as they say! The mill was moved to Missouri and opened fall 2024.

Ryan, Krista's husband, retired from 20 years of pastoring a church in Omaha to lead the Good Shepherd Mill. Their family moved in October, 2024 to the south Kansas City area. Ryan and their oldest daughter, Rylie both work at the mill currently.

We believe that a part of the vision for the Beautiful Gate Homestead includes Kingdom Companies & Ministries who are led by the Lord and exist for His glory to advance His Kingdom. These enterprises will be a part of the provision for the property and the community long-term.
