Menards Crestwood location partnered with us again and held a food drive for our benefit. For the month of March, they collected and donated 290 pounds of canned and shelf-stable foods. We look forward to our next collaboration.

Last month we were able to donate 60 cases of infant formula to the Southside Women's Center located in Evergreen Park. This will help many new mothers get their babies the nutrition they need.

We are still in need of volunteers to check in and process our clientele, distribute food and help keep the facility clean. Please reach out at 708-597-6326. Be sure to leave a message, and we will get back to you as soon as possible.

Thank you to our volunteers. We have been operating short handed for a few months now and your dedication is very much appreciated. Without your help we would not be able to assist so many people. May God bless you all.
