### HAPPY BIRTHDAY TO US!

March is here and we are celebrating 43 years of helping those in need in our neighboring communities! During this time, we have helped thousands of people through recessions, a world-wide pandemic, and their own personal tough times.

We thank the Lord for His provision through many friends and donors so that we can continue "Reaching out in Christ's love".

Cook County Sheriff's Investigator Anderson and two of his team members from S.H.A.R.P. (Sheriffs Housing Assistance Resource Program) came out and volunteered with us. They helped pass out meat, bread, and dairy to our neighbors. We have been working closely with Investigator Anderson and his team helping to get much needed assistance to those in need they encounter throughout their day.

Duro Bag, a local company, donated paper shopping bags to us on February 20th. This is a big help in packing food for our clients. They have been assisting us for over 3 years now.

We are still in need of volunteers from checking in our clients, to helping distribute food to our clients. If you are interested, please call us at 708-597-6326 and leave a brief message that you would like to volunteer. Be sure to leave your call back number.

On February 19th, Grissom School came out with another group of students to volunteer. They helped us by packing 36 boxes and a number of produce bags for us to distribute to our clients. It's always a blessing having them here to help.
