**Prayer Request**

Please be in prayer for our Board as they seek wisdom and guidance in having our roof replaced. It is at the point where it can no longer be patched or repaired, but will involve a total tear off. We do not have the finances, but we know One who does.

Pray for His provision for this need.

We were blessed with a great donation from the Crisis Center for South Suburbia of produce and milk.

Thank you so much.

Sadly, another of our longtime volunteers was called home.

Mary Anne volunteered with us for eight years, and got so much joy from handing out candy to the children that came through our doors. Mary Anne was married to Jim, another of our volunteers for 54 years. They had four children together.

We ask that you keep Jim and the family in your prayers during this difficult time.

Thank you Roberts Road Bible Church's Pastor John and the entire congregation for your support.

The generosity shown to us will help us continue our mission.

Thanks again to Jewel-Osco, Palos Heights and Oak Forest for your donations.

Without local partners like Jewel-Osco, we wouldn't be able to help as many people.
