**Operation Blessing Celebrates 41 years!**

At Operation Blessing, we like to be different. So why celebrate 40 years, as most would when we can celebrate **41** years of helping those in need instead?

As you can see, we had a lovely cake to commemorate the occasion; and lots of other goodies too. Some of our volunteers pitched in and everything was cleaned and arranged beautifully.

We really enjoyed showing some new visitors the facility and also seeing familiar faces. We actually still have a little more work to finish up before fully opening—but we’re almost there!

We are so grateful to the Lord for seeing us through these latest challenges, just as He has sustained and guided us all these years.

For as long as He leads us, we will continue “Reaching out in Christ’s love—feeding body mind and spirit”.

Terry (seated), Marsha, Brian (Operations Manager), Mike and Don (Board Members)

Thank you Taylor’s Popcorn and Candy for your generous donation of popcorn and sweets. This is a special treat for our clients.

**March/April Statistics**
