### Overflowing with Blessings:

When our ministry first started, the pantry was very small, but we gave what we could to those in need. Even as we grew, we would sometimes run out of food or we could only give out a grocery bag with some items in it. Over time, the Lord has not only blessed us with greater quantities of donations, but also with food to provide a healthier diet for our families.

Our manager, Brian, told us about two men who recently came to our pantry for help. They were stunned and thrilled at what they received: Meat? Eggs? Really? Amazing! Their day was made!

And in turn, their excitement and gratitude at how they had been blessed made **our** day.

### Thank you:

Thank you to Rich and Jewel/Osco of Oak Forest for your continued support.

Chris donated 180 lbs. of dry and canned goods to us this month and made a commitment to do the same next month.

Thank you, Chris

### News on our roof:

It has been a long time coming, but we will soon begin our roof replacement! It will involve a complete tear-off and repairs to some sections of the decking (warehouse ceiling). It will be done in stages and we hope we will not have to close down during the process. We are looking forward to when we will not have to worry about each rainstorm or snowfall.

Please pray that the process will go smoothly and also that funds will come in to help pay the loan we are taking out to get this project done.
