St. Alexander School students and staff held a food drive in December to benefit our clients. They collected and donated 210 pounds of canned and dry goods for us to distribute.

Koreas School held their annual food drive benefiting our food pantry. They collected and donated 910 pounds of food.

Unfortunately, we weren't able to take pictures with the students this year as they were closed due to the weather when we picked up the items. Thank you to the staff, children, and the families of Koreas School.

Thanks to Menards, Crestwood, for their food drive that collected 219 pounds of food for us to distribute. Their continued support is very much appreciated, and helps us to continue our mission.

KORAES
ELEMENTARY SCHOOL

A huge thanks to Reyes Coca-Cola Bottling for their continued support. They donated 69,312 pounds of Coca-Cola beverages for distribution.

It has been such a pleasure, and a huge treat for our clients to get delicious and wonderful Coca-Cola products with their food the past few months.
