Cool as...You know!

Wow! That's all we can say to your response to our AC/Furnace need. In just a month since we asked for your help, the old unit was removed from the roof (included in the cost), the new unit installed, and it's all fully paid for!

Now our volunteers and clients will be comfortable for years to come. And our pantry volunteers can take a cooling break too. Plus, this being a new unit, it should be more efficient and save us some money on our electric bill.

Support Operation Blessing by shopping at **Smile Amazon.**

Log into smile.Amazon.com, select Operation Blessing of Southwest Chicagoland as your charitable choice. Amazon will donate a portion of your purchase price to Operation Blessing. Thank you.

Due to the COVID-19 virus, our monthly meetings will not meet again until further notice.

Thank you to Walmart Countryside for your generous donation and your continued support. Its because of companies like yours that we are able to continue to help our neighbors.

We want to take a moment and thank Deputy Chief Dave with the Crestwood PD, and the men and women of the Cook county Sheriff's Department for handling delivery of food to our homebound neighbors as well as those without transportation during the COVID-19 pandemic, as we went to a no contact drive-through system to keep everyone safe. Thank you so much for helping us continue with our mission.
