Sadly we must report that our brother in Christ, David Haynie, our treasurer for over 25 years, was born into eternity on May 30 at the age of 92 years young. May God bless his family and friends.

We will be closed on July 4 & 5 to allow our volunteers to be with their families. Have an enjoyable holiday.

A young Arabian man put his face in his hands and cried like a baby after the counselor told him God loves him.

He said, "I never felt the God of love like I am now." And through his tears he prayed the sinners prayer and asked Jesus in to take over his life, all the work of the Holy Spirit.

The night before, the counselor had prayed three times during the night that God would send him an Arab. He thought it would be a woman. Muslim men don't do things like this. But God had other plans. Glory to His Holy Name.

So, dear readers, please keep this Muslim in your prayers. We hope to see him back at Operation Blessing this month. He needs discipling, encouragement and mostly love.

Thanks to Partners in Hope for their generous food donations.

“Operation Blessing Staff: I just wanted to write to you and say Thank You for all you do to help and bless people. My mother and I were blessed with awesome prayer and great food! Thank you! Everyone we encountered on the staff were so kind, nice and helpful. It brought us to tears. Kimberly P. and Shana C.

A minister at Operation Blessing prayed for Karen’s daughter to have a job. Not just any job, but the perfect predestined job for her so she could earn enough money to pay all her bills and have even more to bless others and to give away. She came in a month later stating that her daughter got a job in case-management helping chronically ill people. She visits their houses and helps them. She loves it and says the job is perfect for her. Her daughter says it is giving her life a purpose and direction. Thank you Jesus.

We prayed for Lewis in November, 2018 and he received salvation at that time, repented and turned his life around. He came in later stating that he now has a new job and a new home. Things keep getting better and better. Praise Jesus.

We prayed for healing for Teresa in the office. When she got up she stated that she felt much better.

A very special thank you to the anonymous donor who helped fund a much-needed utility sink.
