Some of our volunteers praying and sharing the gospel with our clients:

From a client:

Thank you so much for the great fruit, and vegetables. I really love the lavender body wash you gave me.

We are thrilled to receive a grant from Full Plate Program, run by the GrubHub Community fund. The program is made possible through donations from their customers, through the Donate the Change, a feature on the GrubHub marketplace. GrubHub matches contributions on eligible orders from Grubhub members. This grant will be put toward our heating and electric bills, and will ensure that our refrigerators and freezers will be kept operational for the rest of the year. If you use GrubHub, remember to use the “donate the change” feature to keep this program going.

Taylor's Candy continues to support us by donating popcorn, circus peanuts and brittle, a very special treat for our clients.
