We apologize!

In last month’s Newsletter, we posted the flier for our annual “Bread of Life” Easter food basket program. Unfortunately, we will be cancelling the program for this year. No, it’s not due to the Corona virus, although that is also something to consider. As with everything at Operation Blessing, this program is a volunteer effort. At this time, my work schedule is extremely heavy and leaves no time to coordinate the program. We apologize for the confusion, and hope the situation will be different next year.

All money donated toward the program will be returned, unless we are told differently,

Marsha
Operation Blessing

A few testimonies of God’s goodness:

Ken has been coming to the pantry for a few years. We have recently been praying for him. He came in this month to say, “thank you for all the prayers and support”. He said that he got a very good paying job and won’t have to come to the pantry anymore. He was very thankful for the kindness and prayers as well as the food from Operation Blessing Food Pantry. Also, he was grateful that we stood by him in this difficult time.

A young lady was very thankful for the help the pantry has brought during her financial crisis. She said that having the staples were very helpful, like flour, milk and eggs.

A lady came in with severe back pain and asked for a healing prayer. While the intercessor was praying in the name of Jesus in faith, she claimed that a warmth went through her and the pain had eased up.

March is Operation Blessings 38th Anniversary Month.

We have completed 37 years of ministering to God’s people with prayers, food, and counsel. Thank you, God, for blessing us as we bless those who come through our door.

February Statistics

Heads of Households	1017
Individuals	3609
Professions of Faith	47
New clients	47
Prayed for	863
