Christmas Toy Day

Each year we hold our Christmas Toy Day so that parents can come and choose toys to take home and put under the tree for their children. This year, with all that is happening, we feel it is even more important to do what we can to spread Christmas cheer. And so, although we are still working on logistics, we plan to hold our Christmas Toy Day on

Saturday, December 19th.

How can you help? We are looking for **donations of new toys for boys and girls ages 1 to 14.** They do not need to be wrapped. Buy a few toys on your own or make it a church, small group, or kids project. You can drop them off at our office any time before the event, but call (708-597-6326) before you come to make sure someone will be there. Help us help our neighbors have a blessed Christmas this year.

Questions: Call Marsha at 708-218-2130. Thank you, and God bless.

Friday, October 16th, was World Food Day around the globe. This day is to commemorate the founding of the United Nations Food and Agriculture Organization in 1945. This day is celebrated by many organizations concerned with hunger and food security.

This year, Griffith Foods celebrated by helping us get more wholesome, nutritious food onto more of our neighbors tables by donating a large amount of their pancake mix. Thank you Griffith Foods for your generosity, continued support, and helping us to stamp out hunger in our area.
