Annual Pancake Brunch Returns!

After having to take a year off due to Covid, we didn't know what to expect this year for the Brunch. But, we decided to forge ahead and see what would happen.

Well, there was no need to worry. As always, we were ready with "all you can eat" pancakes and sausage. The turnout of people to enjoy them was better than it has been in several years! The room was full most of the day and it was so nice to see familiar faces again.

Of course, per tradition, Larry and Sue were our first arrivals!. Our cook and the volunteers really got a workout keeping up and we are very grateful for their help. We'd also like to thank Jack & Pat's Meat Market, Whittingham & Sons, and McDonalds for their donations of products, which keeps our overhead down. And, lets not forget our bakers who donated delicious treats that totally sold out!

It was great to be back and we appreciate everyone who came out to support Operation Blessing.

(pictures on back)

A recently received email from a client:

I want to thank you for the blessings you have given me and my family.

I also appreciate the humble prayers I have received.

Ms. D.

We want to recognize one of our volunteers, Robert Sheldon for going above and beyond what is expected of him, and for demonstrating the love of Christ.

We had a handicap client arrive on a flat tire for food. Rob loaded his car up, directed him to a spot in the gravel lot and proceeded to change the flat tire.

Thank you Rob for demonstrating how to love our neighbor.

Coming Soon—**Christmas Toy Day:** We will be holding our Christmas Toy Day on Saturday, December 11th, this year. As always, this is the day when we invite parents to come and pick out toys for their children for Christmas. We are in need of new toys for boys or girls, ages 1 to 14. You can drop them at our office up until Friday, December 10th, but please call first to make sure someone will be there to receive them. If you have any questions, you can call Marsha at 708-218-2130.

October Statistics

Heads of Households	461
Individuals	1431
