Dear Partners,

Thank you for your hard work and dedication to serve our neighbors, especially throughout the COVID-19 pandemic. As you know, our collective daily impact wouldn't be possible without the partnership and commitment from the workers and volunteers at front line organizations like yours.

As a thank you and recognition from the Food Depository, we are sending each of our partners that remained opened during the past 15 months of the pandemic, a plaque letting all who visit your organization know that you and your team are Pandemic Heroes!

Thank you once again for your dedication to your community and to the Food Depository, as we continue to help those in need across Chicago and Cook County.

YOU are our Pandemic Heroes!

All the best,
Greater Chicago Food Depository
