CHAIR OF THE BOARD - REPORT

2020 has been one of the most difficult and challenging years I can remember in my time with Rugby League. There has been a number of issues, but the biggest being COVID-19 and the stress it has placed on our members, the Board, the staff, the District and the competition as a whole.

This year, there were times when I thought we would never get a competition started, let alone completed, but with hard work, (special thanks to Nathan, Ian and the Junior league Staff), we did have a competition and we did complete it.

This was only possible with long hours of discussion, usually via zoom, setting up a number of scenarios, trying to pre-empt what COVID-19 conditions may arise or changes that occurred hourly. There huge expectations placed on Clubs and Clubs not knowing if they would be able to manage the strict conditions placed on them.

An unfortunate effect of COVID was the loss of many jobs from our Panther Community, the loss of our NSWRL Major Competitions, the shortening of our competition and the loss of every Clubs presentation day. With all this in mind, I feel that the Junior League produced a strong competition for our Juniors up to 19s and then worked with the Clubs to have the Seniors play in the NSWRL Conference Competition.

The introduction of a new and different Under 6 Gala day was a highlight in 2020. This has proven to be a great addition to our District. Having 700 under 6s donning a Panthers jersey and playing at Panthers Stadium was a very exciting concept and was met with nothing but positive comments.

I would like to thank Nathan, Ian and the Staff for making this our Junior League the best in NSW and one to be proud of. Without their commitment and hard work during 2020, we would not have been playing. I would also like to thank all 24 Clubs for their ongoing trust and support in the Board and Staff.

Finally, I would also like to thank the Board for their support and hard work, during what has been a very difficult year.

GENERAL MANAGER - REPORT

2020 was a year of challenges, education and growth for all members involved at Panthers Juniors. The everchanging plan this season, along with a new baseline development, behavior and expectation structure, for both on and off the field delivery, from 24 clubs and the Panthers Juniors organisation, ensured excellent results in delivering and executing the new era of Panther Junior Football.

The plan required a commitment to innovation across all areas of the business and on reflection, one year in, strong progress has been made. The business is positioned well to capitalise on the opportunities that will flow from an improved financial position and membership base from 2020 onwards.

In a pandemic, trying to celebrate our 54th Anniversary, it provided an opportunity to show our tremendous sense of family and commitment to the community, our toughness to trust our processes and the resilience of 24 clubs that have been the foundation of the Panthers Juniors for many years. I am confident that decisions made, and strategies implemented over the last few months will ensure that Panthers Juniors remain on track to thrive for at least another 54 years.

Key highlights for the 2020 year include:

- Over 7500 participants were provided with an opportunity to play in our Junior Rugby League Competition, thanks to the dedication of over 2500 volunteers across the Panthers district throughout the pandemic.
- Panthers Juniors hosted an U6 Gala Day at Panthers Stadium, the Panthers spiritual home. A new generation of fans and participants now sharing an appreciation of the tremendous sense of community and belonging that comes with being a part of the Panthers and Rugby League.
- In the heart of the pandemic, there were Sponsorship and Commercial Partnership revenue generated to provide the league with its financial position and service of 750 under 6 registered children with a Panthers Jerseys within the district.
- Our reengagement with our Life Members, through strategies including the acknowledgement of their own personalised Life Member number to signify the importance of their contribution to our league.
- Our Facebook Membership reached record levels – more than 9000 are now members of the page which features as the leader amongst other sporting codes on social media.
- We were able to achieve the privilege of playing Rugby League in the 2020 season

Strategic Priorities 2021 - 2022:

1. Deliver an innovative Junior football structure that delivers consistency, integrity on policy and process, nurtures local talent, provides better competitions and increases participation
2. Leverage 'The Panthers effect' to support well-being, inclusion and social change
3. Set the benchmark for game day player and spectator experience
4. Build a resilient organisation to protect and grow the Panthers Juniors legacy

REFEREE'S - REPORT

Season 2020 in the Penrith Junior Rugby League was unlike any other year that I have seen in more than 45 years as a player, administrator and referee.

When the COVID-19 pandemic took hold in March, there was great uncertainty as to whether there would be any football played this year. Due to the outstanding work undertaken by General Manager Nathan Mairleitner and the Junior League Board of Management combined with great support from every club, the Referees Association and the NSWRL, we were able to have a shortened but very successful season.

I cannot speak highly enough of the wonderful camaraderie and commitment that exists in our District. We all faced enormous challenges in 2020, whether it was sponsorships, registrations, fundraising, restrictions due to COVID-19, competition structures, etc., everyone involved in our game should be congratulated.

On behalf of the referees, I thank all clubs for how well received we were at the grounds and in particular support for our young referees. Whilst we did have a few incidents that were dealt with appropriately, we must all continue to work together to eliminate poor behaviour. I am sure we can do this by working together in a spirit of co-operation for the betterment of our great game.

The major highlight for me and an opinion shared by many was undoubtedly the Under 6 Gala Day. What an event this was and the work put into it by Nathan, his staff and the team of volunteers made it a great success. The kids had a ball and I recall walking to my car, there was a player walking with Mum and Dad wearing the special Panthers jersey looking so proud. Well done to all!

I offer my congratulations to all clubs and their teams that were successful in winning grand finals in 2020 with a special mention to Colyton winning the Under 15/1 grand final.

The Referees Association has commenced planning for next year with a major focus on recruiting new referees. I look forward to your support in achieving our goal.

Best wishes to all clubs for a safe and happy Christmas and a successful Season 2021.
