## BY-LAW SUMMARY

### DRAWN MATCHES DURING FINALS SERIES

1. When the scores are equal after the completion of any play-off, semi-final, final or grand final the referee will call the two captains together and advise that the game will go into extra time of two 5-minute periods for Junior Rugby League games (Under 9 to Opens). A coin toss will give one of the team captains the option of either kicking off in extra-time or receiving the ball from the kick-off. The game will re-commence and continue until one of the teams scores:

» In Junior Rugby League (Under 9s to Under 12s), a try or

» In International Football (Under 13s to Open Age), either a field goal, penalty goal or a try.

The referee will then immediately terminate the game with the team scoring first declared the winner

2. If neither team has scored at the conclusion of the first period of extra-time, the teams will change ends and the game will recommence with a kick-off from half-way.
3. In semi-finals and finals, in the event that neither team has scored following two periods of 5 minutes of extra-time, the team who scored the first 'TRY' will be declared the winner and will progress to the next round of the final's series.
4. In Grand Finals, in the event that neither team has scored following two periods of 5 minutes of extra time, the game will be declared a draw with both team's joint premiers.
5. Teams with limited interchange, an additional (2) players will be available in the extra time periods.

### PROTESTS DURING FINALS SERIES

1. Should a protest occur during or immediately after a play-off, semi-final, final or Grand Final every effort will be made to resolve the issue at the venue as soon as possible.
2. Should a protest be unable to be resolved at the venue, all protests will be heard if possible on the day of the match, at a time and venue to be advised by the GM. Any protest shall be immediately referred to the GM who will arrange an urgent hearing.
3. For a protest to be accepted from Clubs involved in the final series matches it must be lodged in writing at the official table, no later than fifteen (15) minutes after the completion of the game. The GM may institute action regarding a breach of PDJRL rules at any time.
4. The GM is authorised to investigate all protests, complaints and other concerns and make adjudication. This may be done by involving a match review committee should that be desired.

### ABANDONED END OF SEASON FINALS MATCHES

1. Because of the significantly increased profile of the end of series matches and the privilege of being involved, the PDJRL Board expects players and team support officials to place emphasis on the need to respect and support the NSWRL Codes of Conduct and good behaviour rules during these matches
2. Should a play-off, semi-final, final or Grand Final be abandoned, due to the pressing need to conclude an investigation before the following weekend, the PDJRL Manager shall obtain reports from both teams, match and ground officials and other appropriate persons and cause an immediate investigation to be carried out into the reasons and reported to the NSWRL for an adjudication
