JUNIOR LEAGUES OAK RELAY

The Oak Junior League Relay is back in 2025 with an exciting new format! This year, there will be no heats—just one high-stakes race during half-time of the NRL game, where the winning team will take home a massive \$5,000 prize thanks to Oak. The relay will feature one runner from each age group: Under 9s, 10s, 11s, and 12s, with each athlete sprinting 100 metres in a thrilling 400m showdown. It's a one-shot opportunity for junior clubs to showcase their speed and teamwork on the big stage at Commbank Stadium.

Show your support for your local club and be part of the action—come along to the game and cheer them on!

JUNIOR REPS 2025 SEASON WRAP UP

The 2025 Junior Representative season has come to a close, and we couldn't be prouder of our young Panthers across all grades.

Our Harold Matthews, SG Ball, Tarsha Gale, and Lisa Fiaola squads showed incredible talent, grit and dedication throughout the season. While not all teams reached the heights they aimed for in finals, the development and dedication on display week in and week out is a testament to the strength of our pathways and the hard work of our players, coaches, and support staff.

Special mention to our Tarsha Gale and Lisa Fiaola girls, who both made strong runs into the post-season before bowing out to tough Parramatta sides. Their effort and progression throughout the year reflects just how far our girls program has come — and it's only getting stronger.

To every player who wore the Panthers jersey this season, thank you for your commitment and passion. The future of Penrith footy is in good hands, and we can't wait to see what's next. Up the Panthers!
