1

## WINDSOR V CAMBRIDGE PARK

The clash of the packs alone should ensure a full stand at Windsor for this one. Last season at the same venue, Cambo barged through the front door only to fall six points short.

On a three-game winning streak, the second-placed Wolves will be eager to keep their minor premiership hopes alive.

2

## COLYTON V EMU PLAINS

There's nothing worse than facing a wounded warrior, but that will be Colyton's reality when they host an Emu Plains side burning from last week's heartbreaking defeat.

That said, Emu often brings out the best in Colyton. Last year, the rivalry was evenly matched, with each team securing one win apiece.

3

## ST MARYS V ST CLAIR

The last time these two faced off, St Clair ended St Marys' finals run with a narrow four-point victory.

Since then, the Comets haven't dropped a game, and while Saints are running fourth, they've battled for consistency.

4

## RIVERSTONE V BROTHERS

There's lots to play for in this bottom-of-the-table clash. On home turf, expect a vocal crowd to ride the Razorbacks in pursuit of an historic victory.

For Brothers, a win could see them return to the top six and revitalise their campaign.
