

Let the Little Children Come

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14

Train Up a Child

Train up a child in the way he should go, and when he is old he will not depart from it. Proverbs 22:6

It Takes a Village

When I was a young mother, I knew I needed help raising my children. And I thought, where would be the best place for me to get that help.

I joined a church where they taught my children about the God that I depended on and taught them true friendship.

The friends my daughters made through the church are still their best friends today.

Let your children come and experience the love of God through our teachings of His Word and our examples of friendship and caring.

Let us be the village that helps you raise your child.
