

## The Gallup Lions Club Is Rewarding

## Our Local School Teachers

The Gallup Lions Club Teacher Support program was created to help support our local teachers in Elementary, Middle and High Schools in our area. Teachers may submit an application each month requesting help with classroom projects. A \$200 cash award will be presented to a chosen teacher each month from October through April.

The winning Teacher will be chosen during the Gallup Lions Club monthly meeting. Teachers will be notified and awarded by the end of each month. Teachers can submit an application by going to [www.galluplions.com](http://www.galluplions.com) Applications will be due by the 20th of each month.

Where there's a need, there's a Lion
