MAY 2026

WWW.SOUTHERNDREAMFARM.COM

May was a busy month for the SDF crew. Trainer Laney Gawarecki started the month off judging the Asheville Spring Warm-up Horse Show in Asheville, NC, May 1st-2nd. Once she was done, she flew back to Florida and went straight to the West Coast Morgans Academy Horse Show to support the SDF Academy Team for the day. Later in the month, two members of the team traveled to Lexington, VA, for the Bonnie Blue National Horse Show. Frat Boy and SH Bagheera had an amazing time and brought home blue ribbons in Park Pleasure and Equitation. To finish out the month, Team SDF attended the Summer Fun Horse Show in Tampa, FL.

REMINDERS

Summer is upon us and the Florida heat is amping up. Please remember to bring water when you come for your lesson! We have limited fridge space, so we recommend bringing a labeled water bottle from home.

Now that it is warming up, riders won't be needing jackets anymore. Please check the lost and found in the tack room and take home any jackets that may belong to you!
