As the owner, you understand and agree your animal/animals are healthy and have all required current vaccinations. The owner is not bringing any dog that has and known conditions that could potentially harm or jeopardize the health of any other dog or human and has not had any potentially communicable condition within 30 days prior to coming. Sometimes dogs can get an upset stomach from playing with and in the area of other dogs. The owner further understands that even if their dog is vaccinated for Bordetella(kennel cough)there is a chance the dog can still contract kennel cough. The owner agrees they will not hold The Laundromutt Grooming/Boarding responsible if so or any other dog-dog transmitted diseases.
