

# String of Hearts Directions

1. cut down the dotted line
2. with a little glue, glue the 2 "Glue Here" ends together

→ It will make a long narrow strip

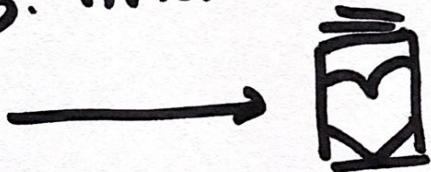

3. Fold the strip in half

4. Then in half again

5. And one more time

6. Cut the black lines of the heart

DO NOT CUT the sides, they hold it all together

7. open up and VOILA!

Now, design your heARTS with patterns, things you love, poetry, words, or any other idea you have
