2022 Campaigns - Protect your phone

With lots of people receiving new Phones for Christmas it's important to protect yourself from being a victim of mobile theft.

Don't leave your phone, iPad, tablet or camera unattended, out of your sight or left on a table – thieves can grab a phone from a table in seconds.

Always be aware of your mobile and your whereabouts and act accordingly. And when you've finished using it, put it away.

Community News – Covid

All members of the public are reminded that new Covid Protection Measures are in place:

•Face coverings are required by law in most indoor settings

•Office workers who can work from home should do so.

•Certain venues and events will be required by law to check that all visitors aged 18 years or over are fully vaccinated, have proof of a negative test in the last 48 hours, or have an exemption.

NHS Covid App

Using the NHS COVID-19 app helps stop the spread of the virus by informing you that you have been in close contact with someone who has since tested positive for COVID-19, even if you do not know each other.

You can also use it to check in to venues with an NHS QR code and receive advice if there has been an outbreak.

The app is free and easy to use and doing so can help you protect your loved ones and others.

The app also allows people to report symptoms and order coronavirus tests. To help protect yourself and others, download and use the latest version of the NHS COVID-19 app.

December 2021 Crime Update

14/12/2021 burglary of address in Bromborough, car keys and car stolen.

21/12/2021 Burglary at an address in Spital, offenders removed window to gain access and stole money from address while elderly victim was inside.

……………………………………………………………………………………………

Vehicle Crime

02/12/2021 motorbike stolen Eastham Rake.

No other thefts of motor vehicles.

……………………………………………………………………………………………

Violence and Robbery

23/12/2021 Two males fighting resulted in one sustaining injuries to his head consistent with grievous bodily harm.

……………………………………………………………………………………………

Clearly the area suffered a spike in burglaries during December, a common trend on the run up to Christmas. We did however engage in a lot of crime prevention work to reduce these types of offences and the lack of robberies shows this. In an ideal

world with more staff, we could have prevented some of these burglaries but covid has taken its toll on increasing sickness within Bebington Police Station.

Kind Regard,

Constable Ward
