## **Advent Lighting Script 2022**

Speaker #1: We have faced many unexpected obstacles and challenges these past few years. In some ways, we have grown stronger from adversity and in other ways, our faith has felt shaken. We are left wondering, who will have our backs?

Speaker #2 Who will guide us? Who will lead us out of the darkness? Who will be the one to show us that we are never truly alone?

Speaker #1 The Prophet Isaiah says there is a way out of the darkness. A Messiah has come that will light up our lives and our world. He will mend the brokenhearted and he will show us that we do not walk alone.

Speaker #2: We light this candle, as a sign of our hope, our unshakable hope that we know that our Savior lives and that he will show us the way out of the darkness. He will give our footsteps meaning and purpose. Jesus will show us the true meaning of God's love.

(Light Candle)

Sing Verse 1 of hymn.

### **Week 2**

**Reader One:** For many of us, there is nothing like heading home. A familiar path, memories that flood our hearts and minds, and a tree in the front yard that has witnessed every important milestone our family has shared together.

**Reader Two:** Yet, going home isn't always a good occasion. Sometimes we have to retreat home when we have lost our way in the world. Sometimes we are called to go home when something or someone is lost and our lives will never be the same. Sometimes we go home when there is no place else in the world to go. We have become spiritual pilgrims.

**Reader One:** The prophetic voice of John the Baptist tells us to, "Repent, for the kingdom of God has come near." John prepared the way for Jesus by reminding us that our spiritual home is not in the clouds or even in the buildings religious communities occupy. We no longer need to look up to see God. We just need to look around us.

**Reader Two:** We light these candles, the candle of hope and love, as a sign that we are on a journey home to our Christ child. He is willing to guide us no matter the circumstances. Whether, we are feeling nostalgic and excited to follow him or feeling lost or exhausted from the grind of the journey. His love shows us the way home.

(Light Candle)

Sing Verse 1 and 2 of hymn.
